## **Ennio Morricone Sheet Music Direct :**

Ennio Morricone Alessandro De Rosa,2019-02-01 Master composer Ennio Morricone's scores go hand in hand with the idea of the Western film. Often considered the world's greatest living film composer and most widely known for his innovative scores to *The Good the Bad and the Ugly* and the other Sergio Leone's movies *The Mission*, *Cinema Paradiso* and more recently *The Hateful Eight*. Morricone has spent the past 60 years reinventing the sound of cinema. In *Ennio Morricone In His Own Words*, composers Ennio Morricone and Alessandro De Rosa present a year-long discussion of life, music, and the marvelous and unpredictable ways that the two come into contact with and influence each other. The result is what Morricone himself defines beyond a shadow of a doubt: the best book ever written about me, the most authentic, the most detailed, and well-curated. The truest opening for the first time, the door of his creative laboratory. Morricone offers an exhaustive and rich account of his life from his early years of study to genre-defining collaborations with the most important Italian and international directors including Leone, Bertolucci, Pasolini, Argento, Tornatore, Malick, Carpenter, Stone, Nichols, De Palma, Beatty, Levinson, Almodóvar, Polanski, and Tarantino. In the process, Morricone unveils the curious relationship that links music and images in cinema, as well as the creative urgency at the foundation of his experimentations with absolute music. Throughout these conversations with De Rosa, Morricone dispenses invaluable insights not only on composing but also on the broader process of adaptation and what it means to be human. As he reminds us, coming into contact with memories doesn't only entail the melancholy of something that slips away with time but also looking forward, understanding who I am now, and who knows what else may still happen.

Reflections on the Music of Ennio Morricone Franco Sciannameo,2020-01-23  
Reflections on the Music of Ennio Morricone: Fame and Legacy provides new contextualized perspectives on Ennio Morricone's position as a radical composer working at the cutting edge of music within the framework of his cinematic compositions. The Italian composer has reached world fame as the creator of some 500 film scores and hundreds more arrangements for commercial recordings; however, Sciannameo argues that Morricone's legacy must include his concert works, a catalogued list of more than 100 titles. By analyzing the composer's formative years as a music practitioner and his transition into the world of composing for the screen, Franco Sciannameo reconsiders the best of Morricone's popular compositions and reveals the challenging concert works which have been an intimate expression of Morricone's lifelong creative season. Reflections on the Music of Ennio Morricone explores Morricone's legacy, its nature, and its eventual impact on posterity.
