

Essential Literary Terms

allegory = Narrative of an extended metaphor with characters are personified abstractions, such as Death, Greed, Virtue.

alliteration = Repetition of the same consonant sounds, as in *many miles Mary misdeeded*.

allusion = Reference to a person, text, or event outside the text, as in these William Carlos Williams lines: *According to Brueghel / When Icarus fell / it was spring*—allusions to the 16th c. Dutch painter Brueghel and the Greek mythological figure Icarus.

ambiguity = Doubtfulness or uncertainty in interpretation.

ambivalence = Coexistence of opposing attitudes or feelings.

anachronism = Something that is out of its proper or chronological order, as in the reference to a clock in Shakespeare's *Julius Caesar*.

analogy = Comparison based on similarity; simile, metaphor, and allegory are examples of analogy.

anaphora = Repetition of the same word or words at the beginning of a series of phrases, lines, or sentences, as in these lines from an Elizabeth Barrett Browning sonnet: *I love thee freely, as men strive for Right; / I love thee purely, as they hurt from Pain*. Similar to parallelism, but in parallelism there is repetition of *grammatical* construction, not necessarily the repetition of the same word or words at the beginning.

anecdote = Brief story about an amusing or interesting (usually autobiographical) event.

antagonist = Principal character in opposition to the protagonist or hero of a narrative or drama.

antithesis = Figure of speech that emphasizes opposing ideas or attitudes by a juxtaposition of contrasting, but parallel words and phrases, as in E. M. Forster's line *Death destroys a man, but the idea of death saves him*.

apostrophe = figure of speech in which the narrator/speaker addresses an inanimate object as if alive.

archetype = Ideal example of a type; certain character or personality types have become established: for example, the rebel, the all-conquering hero, the country bumpkin, the self-made person, the traitor, the snob, the social climber. Even creatures have become archetypal emblems: lion, eagle, snake, hare, tortoise.

aside = Piece of dialogue intended for the theater audience and supposedly not heard by the other actors on stage.

bathos = When a writer strives to express the sublime (or sentimental), but goes too far and the piece becomes absurd and ridiculous, making it subject to satire.

blank verse = Verse consisting of unrhymed lines, usually of iambic pentameter (such as in Shakespeare's plays). It is believed to be the poetic pattern closest to natural speech.

caesura = Pause in a poetic line, usually denoted by punctuation such as a semicolon or comma.

catharsis = Release of emotional tension, as after an overwhelming experience, restoring or refreshing the spirit.

character = a round character is complex and has many traits, develops in a story—also called a *dynamic character*; a flat character does not change and has few traits, does not develop—also called a *static character*.

characterization = Act of creating and developing a character. There are two methods: **Direct characterization** = When the writer states or describes a character's traits. **Indirect characterization** = When the writer shows a character's personality through his or her actions, thoughts, feelings, words, and appearance, or through another character's observations and reactions.

cliché = Trite or overused expression or idea, like *wise as an owl, be there for someone, he didn't know his own mind, see the writing on the wall, making the best of it*.

conceit = Elaborate extended analogy comparing two very different things, creating a surprisingly apt parallel, such as this line from a famous Shakespeare sonnet, *Shall I compare thee to a summer's day?*

conflict = Opposition between characters or forces in a work of drama or fiction, especially opposition that motivates or shapes the action of the plot. Examples are *human versus human*, *human versus Nature*, *human versus himself*.

connotation = Associative meanings of a word in addition to its literal sense, as in *starch* (negative), *odor* (negative/neutral), *smell* (neutral), or *aroma* (positive). Connotation may be personal and individual, or general and universal.

denotation = Specific or direct meaning of a word found in the dictionary, in contrast to its figurative or associated meanings, which is called connotation. The denotation of *home* is a dwelling in which people live; the connotation is positive and comforting for most people.

dialect = Regional variety of a language distinguished by pronunciation, grammar, or vocabulary, especially a

Essential Literary Terms Answer Key Introduction

In the digital age, access to information has become easier than ever before. The ability to download Essential Literary Terms Answer Key has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Essential Literary Terms Answer Key has opened up a world of possibilities. Downloading Essential Literary Terms Answer Key provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Essential Literary Terms Answer Key has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Essential Literary Terms Answer Key. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Essential Literary Terms Answer Key. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Essential Literary Terms Answer Key, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Essential Literary Terms Answer Key has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Essential Literary Terms Answer Key Books

1. Where can I buy Essential Literary Terms Answer Key books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
