explore one of Christianity's most ancient and expansive collections of sacred texts Unlike the widely known Western Bible which contains 66 or 73 books the Ethiopian Bible includes 88 books many of which have long been lost or excluded from other Christian traditions For the first time these ancient scriptures are presented in full English translation making them accessible to a global audience Inside this remarkable collection you'll find Lost Scriptures Including the Book of Enoch Jubilees and 1 & 2 Maccabees providing profound insights into early Christian thought and theology Ancient Wisdom Encounter teachings and prophecies that shaped the faith of the Ethiopian Orthodox Church for centuries Unique Perspective Explore the theological moral and historical significance of the 88 book canon offering a richer understanding of God justice and human purpose Cultural Heritage Understand the deep connection between scripture and Ethiopian Christian practice where the Bible is integral to worship culture and daily life This book is not just a translation it's an invitation to understand Christianity in its full ancient context The Ethiopian Bible provides a bridge between the early Church and the present challenging assumptions about biblical authority and expanding our view of scripture

[Americans With African Roots Empowered](#), El Piper, 2025-08-19 Americans With African Roots Empowered A WARE offers a grounded and insightful exploration of the history and identity of the Hebrew Israelites tracing their journey from biblical times through centuries of exile colonization and cultural erasure Beginning with King James VI and I the book examines how his influence shaped the Bible's translation and how this version was used to reinforce imperial agendas Through careful comparison with ancient texts such as the Ethiopian Bible and analysis of removed or suppressed scriptures the book reveals how religious doctrine was reshaped to justify colonization and slavery The transformation of the Hebrew Israelite faith into a tool of European dominance is laid bare showing how key elements of biblical history were distorted or omitted Spanning events from the founding of Jamestown to the transatlantic slave trade this work connects pivotal historical moments to the ongoing journey of a people whose story has often been hidden It also explores the cultural endurance and prophetic traditions of the Hebrew Israelites the evolving role of women and the spiritual impact of the King James Bible on African American communities This is both a historical reexamination and a call to rediscover truth identity and legacy in the face of centuries of misrepresentation

Adapting Gender and Development to Local Religious Contexts Romina Istratii, 2020-10-01 This book provides a critical and decolonial analysis of gender and development theory and practice in religious societies through the presentation of a detailed ethnographic study of conjugal violence in Ethiopia Responding to recent consensus that gender mainstreaming approaches have failed to produce their intended structural changes Romina Istratii explains that gender and development analytical and theoretical frameworks are often constructed through western Eurocentric lenses ill equipped to understand gender related realities and human behaviour in non western religious contexts and knowledge systems Instead Istratii argues for an approach to gender sensitive research and practice which is embedded in insiders conceptual understandings as a basis to theorise about gender assess the possible gendered underpinnings of local issues

and design appropriate alleviation strategies Drawing on a detailed study of conjugal abuse realities and attitudes in two villages and the city of Aksum in Northern Ethiopia she demonstrates how religious knowledge can be engaged in the design and implementation of remedial interventions This book carefully evidences the importance of integrating religious traditions and spirituality in current discussions of sustainable development in Africa and speaks to researchers and practitioners of gender religion and development in Africa scholars of non western Christianities and Ethiopian studies and domestic violence researchers and practitioners

Decolonial Horizons Raimundo C. Barreto, Vladimir Latinovic, 2023-12-27 This is the first of two volumes of essays from the Ecclesiological Investigations International Research Network s 14th International Conference focused on decolonizing churches and theology addressing oppressions based on gender racial and ethnic identities economic inequality social vulnerabilities climate change and global challenges such as pandemics neoliberalism and the role of information technology in modern society all connected with the topic of decolonization The essays in this volume focus on decoloniality in religious and theological dialogue migration history and education written from historical dogmatic social scientific and liturgical perspectives

[The Ancient Ethiopian Bible](#) Therese Mariani, 2025-11 Have you ever wondered what lies beyond the familiar pages of the Bible The Ancient Ethiopian Bible Unabridged English Edition brings to light an extraordinary version of the Christian scriptures largely unknown to the global community Preserved by the Ethiopian Orthodox Church for over a millennium this Bible contains more than 80 sacred texts including the Book of Enoch the Book of Jubilees and the Shepherd of Hermas writings that have been lost to much of the world This edition offers readers a chance to explore a rich ancient tradition that predates many of the canonical books we know today It is not just a collection of texts but a glimpse into the profound history culture and theology of the Ethiopian Church a Christian community that has maintained its beliefs and scriptures through centuries of isolation Gain access to sacred texts that shape the Ethiopian Christian worldview Understand the cultural and historical context that has preserved these writings Examine the theological insights and teachings found in these additional scriptures Experience the depth of early Christianity through an authentic lens as the Ethiopian Orthodox Tewahedo Church remains one of the oldest Christian traditions in the world
