Gibbs, 2011-09-27 I have a theory that as a human race everything we do is based on our discomfort with boredom That is why people read books watch television listen to music and even interact with friends and family These are things that help us pass the time of our lives Most people only think about boredom as physically being mundane or inactive but boredom is also mental This is proven to be true because even when you have a good thought in your head you do not feel bored it is only once you are content with your thoughts that you start to feel bored Pretend like your life is on a graphing chart The absolute 0 of boredom is when you go to sleep After we wake up we go up on the chart and coast All day as a being we try to reach high points on our boredom

chart People must remember though we are going to come back down on the chart after whatever it is that got us up on the chart is over So you should be mindful of what things you do just to fill your boredom or Idle Time **Eye Candy** Victoria Staat,2017-05-04 Trent is a trucker and one of four partners in a company called Big 4 Trucking A good guy working toward the American dream Candy s a bar owner waitress who s trying to raise two little sisters after their parents are killed in a plane crash Her only help in the endeavor is her slightly younger sister Torrie Trent and Candy meet one night in her bar and the attraction is mutual Instantly he can t help getting caught up in her eyes Being the kind of guy who goes head first into a problem he sets his cap for her The trucker doesn t realize the type of men she deals with on a daily basis and how tough she s had to be to protect not only her body but her heart as well So he s totally taken back when a hand on her arm gets him beat up for his trouble When Trent meets her the next day Candy sees the big black eye she s given him and regrets it So she agrees to go out with him Breakfast turns into date after date and a great time on the road with her favorite trucker has them becoming closer by the minute Until they re both tested by mystery and deceit Then before you know it secrets become part of the puzzle that rocks their world And when someone tries to kill Trent all bets are off *The Unexpected Matters of the Heart* C.
