From *The Girl on the Train*, New York Times bestselling author Ann Brashares and her brother Ben Brashares comes the first book in a pulse-pounding Publishers Weekly starred review middle-grade alternate history thriller trilogy that asks what it would be like in present-day America if Germany had won World War II. At least most of all, they want to know about the outcome of the world war their dad and brothers are fighting in. Though Henry is cautious, he's seen movies about what happens when you disrupt the fabric of time, so soon the present-day kids are sending their new friends on a mission to rescue a doomed candy store.
