Myth Retelling Novel Step By Step:

Children's Books on Ancient Greek and Roman Mythology Antoine Brazouski, Mary J Klatt, 1993-11-23 The classical heritage continues to impact modern culture in many ways This bibliography lists and describes those books on Greek and Roman mythology from the mid 19th century to the present which are useful for introducing children to the classical world The volume begins with a brief history of children s books on classical mythology in the United States A chapter then discusses the various techniques through which classical myths were adapted for children The annotated bibliography follows with each entry including a critical annotation on how closely the work adheres to the original myth Each entry also includes an indication of the grade level of each book Indexes allow the user to locate sources according to title illustrator time period myth and subject

Write with Fire Charles Allen Gramlich, 2009-07-01 This guide to writing fiction is divided into three sections Part One deals with the mechanics of writing How do you get ideas and shepherd them through the writing and editing process into finished and publishable form Where do you look for markets Part Two consists of more general articles about writing and writers Part Three includes pieces that are more personal to the author s own history as a writer A bibliography of suggested reading completes the guide Page 4 of cover
