

Reading Comprehension

Read the short passage and answer the questions.

The Red Bed

Why is the bed red? Does Ted like it red? Yes, this is Ted's bed.

There is a blue pillow on the bed. He loves sleeping on this bed.

After Ted is well fed, he sleeps on his bed by putting the pillow under his head.

1. Whose bed is it?

2. What colour is the pillow?

3. Write any two words that rhyme with red.

Reading Comprehension Workbook International Bestseller:

Awesome Reading Comprehension Christopher Hintsala, 2020-05-28 Awesome Reading Comprehension is a five book series that is designed to focus on practical reading comprehension skills. It features fun and interesting stories that are both fiction and non-fiction. It also includes stories with dialogue to provide well-rounded access to all types of reading situations. This series presents a unique approach to building not only reading comprehension skills but also language usage skills. Each unit presents an image with a story. From the story, 10 vocabulary words are pulled so that the student can learn more about that word and its use. The words are all in the same conjugation as used in the story. Students will define each word and its part of speech. Then they will use the vocabulary word in a new sentence to further their understanding of the tense and usage. After the vocabulary has been addressed, it is time for the student to answer comprehension questions about the story. Having a better understanding of the vocabulary will allow the students to activate their recall of what they have read. To further the student's comprehension, they will be challenged to make predictions on the content they have read and then continue the story. By making predictions, the student can demonstrate their true understanding of the story and by continuing the story on their own, they can further practice their writing skills.

Key Features: Fun and interesting stories with black and white pictures. Various activities to reinforce the student's comprehension of the story. Functional development of vocabulary and its use. Prediction-based exercises to further demonstrate the student's comprehension. Designed for use in the classroom. 50 original stories, 500 new vocabulary words, and 50 creative writing exercises.
