

# The Risk Report Card

VW do Brasil summarizes its strategy risks on a Risk Report Card organized by strategic objectives (excerpt below). Managers can see at a glance how many of the identified risks for each objective are critical and require attention or mitigation. For instance, VW identified 11 risks associated with achieving the goal "Satisfy the customer's expectations." Four of the risks were critical, but that was an improvement over the previous quarter's assessment. Managers can also monitor progress on risk management across the company.
