Media Education for a Digital Generation Julie Frechette, Rob Williams, 2015-10-14 Media education for digital citizenship is predicated upon the ability to access analyze evaluate and produce media content and communication in a variety of forms While many media literacy approaches overemphasize the end goal of accessing digital media content through the acquisition of various technology software apps and analytics this book argues that the goals for comprehensive and critical digital literacy require grasping the means through which communication is created deployed used and shared regardless of which tools or platforms are used for meaning making and social interaction Drawing upon the intersecting matrices of digital literacy and media literacy the volume provides a framework for developing critical digital literacies by exploring the necessary skills and competencies for engaging students as citizens of the digital world

Navigating Fake News, Alternative Facts, and Misinformation in a Post-Truth World Dalkir, Kimiz, Katz, Rebecca, 2020-02-28 In the current day and age objective facts have less influence on opinions and decisions than personal emotions and beliefs Many individuals rely on their social networks to gather information thanks to social media's ability to share information rapidly and over a much greater geographic range However this creates an overall false balance as people tend to seek out information that is compatible with their existing views and values They deliberately seek out facts and data

that specifically support their conclusions and classify any information that contradicts their beliefs as false news Navigating Fake News Alternative Facts and Misinformation in a Post Truth World is a collection of innovative research on human and automated methods to deter the spread of misinformation online such as legal or policy changes information literacy workshops and algorithms that can detect fake news dissemination patterns in social media While highlighting topics including source credibility share culture and media literacy this book is ideally designed for social media managers technology and software developers IT specialists educators columnists writers editors journalists broadcasters newscasters researchers policymakers and students Digital Media and Social Connection in the Lives of Children, Adolescents and Families Yalda Uhls,Kaveri Subrahmanyam,Amanda Third,2022-11-29 **Media Literacy in Action** Renee Hobbs,2021-01-07 The blurring of entertainment information and persuasion is reshaping work life and citizenship As a result our relationship to media has never been so important nor so complex By asking critical questions about what they watch listen to read and use students can be better prepared to be responsible communicators who can use a variety of formats and genres for self expression and advocacy Covering a wide range of topics including the rise of news partisanship algorithmic personalization and social media stereotypes and media addiction advertising and media economics and media influence on personal and social identity Renee Hobbs helps students develop the lifelong learning competencies and habits of mind needed to navigate an increasingly complex media environment Rooted in the best practices of media literacy pedagogy Media Literacy in Action brings an interdisciplinary approach to media studies that engages students with the following features full color layout engaging questions to stimulate thoughtful dialogue and reflection contemporary media examples designed to cultivate intellectual curiosity suggested activities for advancing students confidence in oral written and multimedia expression access to videos and multimedia resources at www.medialiteracyaction.com Handbook of Research on Socio-Technical Design and Social Networking Systems Whitworth, Brian,de Moor, Aldo,2009-03-31 Addresses current issues of research into socio technical systems STSs Provides suggestions on how social knowledge can synergize with technical knowledge Weaving the Roots William T. Hennessy,2011-05-31 New from Broadside Books Voices of the Tea Party In Weaving the Roots you ll learn how even tiny grassroots organizations can make big impacts on the world through smart use of free or inexpensive social media tools First you ll learn the major tools like Facebook twitter LinkedIn Google Buzz blogging talk radio and SMS text How they work how they work together and how you can maximize your impact with a small team Next you ll explore five key activities for social networking and which tools work best recruiting informing activating advocating coordinating Finally you ll find out the science behind social media You ll get answers to questions that many don t know to ask like what time of day to tweet or post on Facebook which day of the week is best for which social channel and how to announce an event to get lots of attendees without lots of time consuming questions The Praeger Handbook of Media Literacy Art Silverblatt,2013-11-26 This groundbreaking two volume set provides readers with

the information they need to grasp new developments in the swiftly evolving field of media literacy The United Nations Educational Scientific and Cultural Organization UNESCO proclaimed media literacy a fundamental human right How fitting that there is finally a definitive handbook to help students and the general public alike become better informed more critical consumers of mass media In these A Z volumes readers can learn about methodologies and assessment strategies get information about sectors such as community media and media activism and explore areas of study such as journalism advertising and political communications The rapid evolution of media systems particularly digital media is emphasized and writings by notable media literacy scholars are included In addition to providing a wide range of qualitative approaches to media literacy analysis the handbook also offers a wealth of media literacy resources These include lists of media literacy organizations and national media literacy programs plus relevant books websites videos and articles
