Step By Step Emotional Intelligence For Kids:

Emotional Intelligence for Kids Samantha Wiggins,2012-04-10 Emotional intelligence is the safest most effective mean to live a successful life Therefore as a parent or teacher you always need to be interested in improving emotional intelligence in your child Unfortunately this vital part of every child s education is often ignored by common schooling methods You can start by searching for the emotional intelligence definition but most often than not it won t be the answer you need You first need to understand all the principles behind it and then figure out what is emotional intelligence That is why the author starts by detailing emotions and how feelings affect our lives constantly This emotional intelligence book aims to supplement the standard education received by your kid or student by raising awareness about various methods and practices These approaches have been developed during the author s experience in the educational system and through thorough research in the field of child and group psychology Emotional Intelligence for Kids is structured in ten chapters which have been designed in such way that they could provide intensive and pertinent emotional intelligence training for your kid These chapters will help parents and teachers in achieving a more unconventional educational method focused on exposing children to activities that encourage the expression of emotions It will teach you how to develop emotional intelligence in your kids while providing a solid emotional intelligence appraisal Social skills contribute substantially to an efficient adaptation and integration in the environment we live in Through interactions with others we achieve individual goals We reach them not only through pure cognitive thought but also through emotions through human relationships that push us forward Without emotions and relationships our lives are meaningless Emotional intelligence in the workplace is also vital for your professional career Thus a child s ability to develop relationships with other children until the age of 6 years and above is often more important than having a high IQ Some kids bloom late and some early their cognitive processes start to kick in at different stages in life Developing Emotional intelligence is something that kids must practice starting kindergarten The process of developing social and emotional skills begins as early as the first years of life which is why the quality of interactions with others is crucial You won t find an emotional intelligence test or an emotional intelligence quiz here but rather a collection of emotional intelligence activities described in detail with clear objectives and instructions These activities will be your homework as a parent or tutor something to work on with your child during his learning It is the best emotional intelligence assessment you can make by practicing these activities with your young ones and guiding their reactions and providing constant feedback to them

Developing Children's Emotional Intelligence Through Play

Valentina Ross,2020-09 Discover The Secret To Raising Children That Are Caring Confident And Emotionally Intelligent And Get Them Started On The Path To Success Are you worried if your parenting style is preparing your child in the best way that sets them up for future success Do you want to uncover the playbook to raising happy confident well rounded and emotionally balanced kids If your answer is yes to any of the questions above then this book is for you Recent research has

uncovered that people with higher emotional intelligence EQ are more likely to succeed than people with higher IQ Most parents overlook this vital part of their child s development and focus only on the intellectual skills they need to succeed in school But it doesn t have to be that way In this book Valentina Ross lays out a step by step approach sprinkled with enlightening illustrations for helping parents like you hone your child s emotional intelligence to help navigate social situations with poise make great decisions and manage their emotions and those of others effectively Here s a snippet of what you re going to find in this book The development of emotional intelligence in children explained in plain English The simple 3 step technique to help introduce your child to the world of emotions Effective ways to help you child recognize emotions in themselves and others Nine fun and powerful games to help your child develop emotional intelligence through play and much more Whether you re a new parent an educator or responsible for young children in any capacity the insights and practical advice contained in this guide has everything you need to contribute your quota to raising the next generation of emotionally healthy and well adjusted adults Scroll to the top of this page and click Buy Now with 1 Click to get started TODAY

Emotional Intelligence for Kids Mark T. Coleman,2019-08-28 BUY THE PAPERBACK VERSION OF THIS BOOK ON AMAZON COM AND GET THE KINDLE BOOK VERSION FOR FREE Have your children ever completely lost it in the middle of the grocery store Not just being fussy but a full blown tantrum with snot and tears running down their faces as They screech about how awful of a parent you are Maybe you told them that they could not have a piece of candy or a new toy and they went into complete meltdown mode Did you struggle to calm your child down during this tantrum Perhaps everything you said and did only exacerbated the situation and ultimately led to both of you losing your temper What if someone told you that there is a five step process to mitigating your children s tantrums and teaching them to be more able to control their own emotions Emotion coaching is a type of relationship that endeavors to do just that An emotion coaching parent guides the child through the throes of emotions helping the child navigate through all of the overwhelming feelings and emerging better able to cope with the adversities life throws at him or her in a more mature and resilient manner Children who have been parented in this manner are typically far more successful than their peers at navigating through tough situations and creating meaningful healthy relationships and friendships Through the five steps of emotion coaching you will be there with your child through the failures and successes teaching your child to navigate through emotions and develop critical skills that will allow your child to develop a higher EQ emotional intelligence quotient Each of these steps builds upon each other to help you solve conflicts and mitigate tantrums or other unacceptable behaviors by teaching your child to be emotionally conscientious These steps will create an emotionally intelligent young child who is better equipped to tackle the world head on and deal with anything life throws at him or her Within the pages of this book you will be guided on how to parent in an emotion coaching manner with the end goal being to develop overall emotional intelligence You will learn all the different ways emotional intelligence is relevant to both yourself and your child especially in stressful situations such

as divorce You will find Essential facts about emotional intelligence The elements of emotion coaching as well as commonly made mistakes The five steps to emotion coaching and several tips for how to raise an emotionally intelligent child A list of recommended books for children of all ages to aid in emotional intelligence development An assessment for how effective you are at emotion coaching How emotional intelligence of the father is important to the emotional intelligence of his children Examples of both children and teens with lower and higher EQs and how emotion coaching can help them And more Would You Like to Know More Scroll to the top of the page and select the buy now button
