Storm of Shadows Madeline Freeman, 2021-01-25 The world is unraveling around me and it's all my fault. A single choice during the Bloomington protests set everything into motion. By choosing to protect the demons I've tipped the scale and my world will never be the same. Nate's wedding is two weeks away. Staying at the chancellor's mansion gives me access to classified information but some secrets should stay buried. Allies come from unexpected places and enemies abound around every corner. Unrest among ethereals grows every day but there's nothing I can do trapped in the chancellor's home. Even if I could do something it's likely my intervention will only make things worse. How can I continue on my mission when I'm not sure who I am anymore? How can I help anyone when everything I touch turns to ash? My name is Eden Everdell. Saving my people has always been my mission but I never expected to be the one who needed to be saved. Enter a fast-paced world of angels and demons. Click to buy Storm of Shadows today. Battle & Brawl, 2021-09-24 There are worse things than a bad hair day like having a crown taken right off your perfectly styled head. I'm Brandee Jean and I managed to win the biggest crown of all. I was an Amazon Princess and Queen of the Gods. For like two seconds. Now though Zeus is back from the dead and everything I went through to win was for nothing. Well, almost nothing. I got a hot British boyfriend who is half fae out of it even if he does correct my grammar like constantly. He's not a big fan of my Mama either. But I don't know if that's because she's kind of trashy or it's because she's a zombie. It's nice to have Mama cheering me on again even if she is undead. Cause everywhere I turn there's a fight. I've got to get my crown back by competing against my boyfriend and my best friend convince Mama her Hades hookup is just another in a long string of bad boyfriends and stop the humans and paranormals from destroying each other. But first a hot oil treatment for my hair. Cause there's no way I'm saving the world with split ends. Battle Brawl is book 5 in the Mythverse series. This young adult magic academy fantasy novel features non-stop action, lots of hot shifter boys, girls who are best friends forever and lots of plot twists to keep the pages turning. Be sure to check out all the books in this finished series. If paranormal and urban fantasy stories are your thing we've got you covered with this complete series. Percy Jackson meets Vampire Academy in this fun new series. Join Brandee Jean at Amazon Academy as she fights for her crown. Rise of Rebellion Madeline Freeman, 2022-02-21 Everyone thinks we're dead. But the guilty party is not who it appears. One night changed our entire world and no one knows how to set things right. I'm not even sure what that is anymore. Set amid opposing factions the Keepers must provide unity and leadership but it's hard to steer when you can't see the road ahead. The only thing for certain is doing nothing isn't an option. With each passing day it's clear the demons aren't the only ones who will suffer under the new chancellor's rule. My fight is bigger than me and my people. If we're going to save the kids I need to unite all the different ethereals. Easier said than done. My name is Eden.

INSTRUMENTS in this completed paranormal academy series. There's only one rule in the world I come from: Keep our existence a secret. Period. The day my sister broke that rule one too many times I knew there would be consequences. I expected us to be sent to one of those schools for troubled kids and maybe Daizlei Academy was in a way. But really it was far more complicated than that. You see, I thought that world had forgotten me. Forgotten us. For years we were left alone and one day we weren't. It was only when I got there that I remembered the second rule: Trust no one. Because in our world they would kill me if they knew the truth of what I am. Daizlei Academy is a school for Supernaturals. And me, I'm so much more. This is a New Adult Urban Fantasy Romance series with a slow burn, enemies-to-lovers romance and a strong but flawed heroine. It is labeled new adult for stronger language and some mature situations. As the heroine ages and grows so does the content of the stories. This boxset contains: 1. Heir of Shadows, 2. Scion of Midnight, 3. Queen of Lies, 4. Vessel of Destruction.
