The Conjuror Returns Michael S Ball,2025-11-21 This book ventures into the modern day use of inspiration by the inclusion of internet shorts requiring a limited space to reply relating to others simply in admiration or requesting a title for inspiration I d write a reply or form a poem suggesting a title not all are shown here though they re given as inspiration later to complete poems all done from Internet shorts The subjects here are mainly love related with a little of nature interspersed here and there It s surprising how other trains of thought can inspire before hello s soon become goodbyes As is the case with all that correspondence I hope some of you will seek inspiration from others unknowingly giving suggestions for themes of life love and needs of the heart enough to write it down or simply admire anothers ability to express in a poetic way

Michael S Ball Private Avenues, Born of Solitude Michael S Ball,2021-11-03 From the first I included poetic lines from my novella Stand and deliver to my setting in the places of my childhood my longest tale Upon this tree Either spoken or as a feed to a chapter An example is the poem Remember me included in full in the Love section Almost a biographical theme I mostly write in rhythm and rhyme a natural instance that appeals to me though I feel it isn t a necessity in story verses where it can appear tedious Like most poets this selection comes from life love and memories recollections dear to my heart whether it may be the love of nature film music yearnings to love or simple nonsense where throughout any merit I attribute to God and his encouragement Also I feel I must add the helping hand of a precious Godly soul Patricia Tijerina whose inspiration and encouragement was immeasurable I hope all who venture to read a part of my life find pleasure and enjoyment in doing so to know and sense a little of the rapture I convey whether it be my innermost feelings or the life long love of nature film and childhood Written under pressure that I assume most could not bear this book of verse is long overdue I hope it gives an insight into my life feelings and memories Thank you to all who read my first volume of verse knowing part of my life and ever loving memories interlaced with the love of nature film and lighter moments Michael S Ball **Life in the nineteenth century. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
