Quality of Work Life and Organisational

Citizenship Behaviour of Faculty Members in Higher Learning Centres in Kerala Dr. Jyothilakshmi, Dr. Ebby Joseph

Idicula & Dr. Rajesh P., 2024-12-03 Teachers are the pillars of education. The education system can excel with its effective measures only by the effective performance of teachers. If the teachers are inefficient and indifferent, no educational institution even with an excellent infrastructure and a good curriculum can achieve its goal. Teachers not only inculcate the various subjects of study into students but they also mould a quality generation for the nation. According to the American Commission on Teacher Education 1974, the quality of a nation depends upon the quality of its citizens and the quality of its citizens depends upon the quality of their teachers. Teachers are the ones who contribute to the social reconstruction of the country. They play a crucial role not as a mere transmitter of knowledge and culture but as a changing agent. Our former president and eminent educationist Dr. S. Radhakrishnan says, 'Teachers place in society is of vital importance.'
