forecasting *Chanakya in Blue Denims* Mahendra Garodiya,2025-04-04 The premise of the present book on family business is that according to Chanakya Most challenges to the kingdom come from inside the kingdom then outside Therefore one must fortify the kingdom from within The king must take care of proper education of self supporters and successor for a long rule over the kingdom Our mission through this book is to empower family businesses by building sustainable business models for them thereby helping them attract authentic team members customers and investors Today s education system moulds students from KG to PG into job seekers instead of job creators Even children of family business owners who can create jobs are themselves seeking jobs Being able to provide them with food clothing shelter and self respect at the same time employment Hence the greatest loss to society is this potential job creator family businessman being converted into a job seeker
