Faceless Killers Wallander 1 Henning Mankell:

Faceless Killers Henning Mankell, 2011 Inspector Kurt Wallander a local Swedish police officer whose own personal life is falling apart finds himself coping with a wave of anti foreigner sentiment when he is put in charge of the investigation into the brutal murders of an elderly couple

Faceless Killers Henning Mankell, 2000-04-20 As his personal life is falling apart Swedish Police Inspector Kurt Wallander is confronted with a hideous crime which has devastating repercussions An elderly couple are brutally murdered in their remote farmhouse and the suspicion falls on the immigrant community

Henning Mankell Wallander Bundle: Faceless Killers, The Dogs of Riga, The White Henning Mankell, 2011-04-08 The first three novels in Henning Manning s Kurt Wallander series are now available in a trade paperback set Mystery fans across America are discovering the international bestseller Henning Mankell and his character Kurt Wallander the veteran Swedish police detective FACELESS KILLERS First in the Kurt Wallander series It was a senselessly violent crime on a cold night in a remote Swedish farmhouse an elderly farmer is bludgeoned to death and his wife is left to die with a noose around her neck And as if this didn t present enough problems for the Ystad police Inspector Kurt Wallander the dying woman s last word is foreign leaving the police the one tangible clue they have and in the process the match that could inflame Sweden s already smoldering anti immigrant sentiments

THE DOGS OF RIGA Second in the Kurt Wallander series On the Swedish coastline two bodies victims of grisly torture and cold execution are discovered in a life raft With no witnesses no motives and no crime scene Detective Kurt Wallander is frustrated and uncertain he has the ability to solve a case as mysterious as it is heinous But after the victims are traced to the Baltic state of Latvia a country gripped by the upheaval of Soviet disintegration Major Liepa of the Riga police takes over the investigation Thinking his work done Wallander slips into routine once more until suddenly he is called to Riga and plunged into an alien world where shadows are everywhere everything is watched and old regimes will do anything to stay alive

THE WHITE LIONESSE Third in the Kurt Wallander series The execution style murder of a Swedish housewife looks like a simple case even though there is no obvious suspect But then Wallander learns of a determined stalker and soon enough the cops catch up with him But when his alibi turns out to be airtight they realize that what seemed a simple crime of passion is actually far more complex and dangerous The search for the truth behind the killing eventually uncovers an assassination plot and Wallander soon finds himself in a tangle with both the secret police and a ruthless foreign agent Combining compelling insights into the sinister side of modern life with a riveting tale of international intrigue The White Lioness keeps you on the knife edge of suspense

Faceless Killers Henning Mankell, 2010-02-23 Wallander is among the very best fictional crimebusters Daily Telegraph One frozen January morning at 5am Inspector Wallander responds to what he believes is a routine call out When he reaches the isolated farmhouse he discovers a bloodbath An old man has been tortured and beaten to death his wife lies barely alive beside his shattered body both victims of a violence beyond reason The woman supplies Wallander with his only clue the perpetrators may have been

foreign When this is leaked to the press it unleashes a tide of racism Wallander's life is a shambles His wife has left him his daughter refuses to speak to him and even his ageing father barely tolerates him He works tirelessly eats badly and drinks his nights away But now Wallander must forget his troubles and throw himself into a battle against time and against mounting racial hatred Discover the first novel in the addictive Wallander series Mankell is one of the most ingenious crime writers around Highly recommended Observer Mankell is in the first division of crime writing The Times *One Step Behind* Henning Mankell, 2002-02-01 Sweden's most tenacious detective races to unlock the twisted logic behind a madman's crimes Lyrical meticulous and stunningly suspenseful St Petersburg Times On Midsummer's Eve three friends gather in a secluded meadow in Sweden In the beautifully clear twilight they don eighteenth century costumes and begin a secret role play But an uninvited guest soon brings their performance to a gruesome conclusion His approach is careful his aim is perfect Three bullets three corpses And his plans have only just begun to take shape Meanwhile Inspector Kurt Wallander is just back from vacation Constantly fatigued he soon learns his health is at risk but there's no time for rest when a fellow officer is murdered Wallander soon discovers that the two grisly crimes are connected A serial killer is on the loose and the only lead is a photograph of a strange woman no one in Sweden seems to know Forced to dig into the personal life of a trusted colleague Wallander steps into a nightmare worse than any he could have imagined Can he find his way out of the darkness before it's too late A pulse pounding thriller and an incisive investigation into the mysteries of human nature *One Step Behind* is typical of the dense intricate intelligence that Mankell brings to detection and crime writing The Washington Post Book World

Transnational Television Remakes Claire Perkins, Constantine Verevis, 2018-02-02 Providing a cross cultural investigation of the current phenomenon of transnational television remakes and assembling an international team of scholars this book draws upon ideas from transnational media and cultural studies to offer an understanding of global cultural borrowings and format translation While recognising the commercial logic of global television formats that animates these remakes the collection describes the traffic in transnational television remakes not as a one way process of cultural homogenisation but rather as an interstitial process through which cultures borrow from and interact with one another More specifically the chapters attend to recent debates around the transnational flows of local and global media cultures to focus on questions in the televisual realm where issues of serialisation and distribution are prevalent What happens when a series is remade from one national television system to another How is cultural translation handled across series and seasons of differing length and scope What are the narrative and dramaturgical proximities and differences

between local and other versions How does the ready availability of original foreign series shape an audience's reception of a local remake How does the rhetoric of Quality TV impact on how these remakes are understood and valued In answering these and other questions this volume at once acknowledges both the historical antecedents to transnational trade in broadcast culture and the global explosion in and cultural significance of transnational television remakes since the beginning of the twenty first century This book was originally published as a special issue of *Continuum*
