

The book cover features a detailed illustration of various woodworking tools and wood pieces. In the upper center, three hand planes with light-colored wooden handles and metal bodies are arranged diagonally. To their left, a square and a pencil are visible. Below the planes, a large, ornate carved wooden piece, possibly a decorative bracket or scrollwork, is shown. In the lower right, a circular saw blade is partially visible. The background is filled with various wood grains and textures, suggesting a workshop or a collection of wood projects. The entire scene is framed by a decorative border with a repeating geometric pattern.
