Anti-Cancer Enzymatic Probiotic Drinks Thomas Lee ￼￼￼, 2016-06-16 This is my revised e Book based on my first paperback recipe book Simple Home Made Enzymes published in 2009 and another e Book in 2013 The reason I have revised this book is to fine tune some of the recipe and added a few new recipes and rename it with Anti Cancer Enzymatic Probiotic Drinks The Enzymatic Probiotic Drinks is a very popular D I Y in South East Asia since the past ten years there are also some variants in D I Y method used Some recommended the adding of sterilised water in the fermentation while other added vinegar The technique that I am practicing originated from Tajung Sepat a small fishing village in the state of Selangor Malaysia since the mid 90s A Buddhist nun from a nearby temple started the D I Y Enzymatic Probiotics and later successfully cured herself of hyperthyroidism Her story has spread around the village After her story appear in the local media many has come to the temple for remedies and some followed her footsteps

to D I Y most of them were cured of their chronic diseases later on This method is very popular because the ingredients used are simple and easily available at any supermarket it also does not require any fermentation culture starter like the kefir grains all you need is fruits vegetables and sugar that s all The fermentation will take place in the most natural way I have been doing this for almost 10 years now it has never failed me once Sometimes it is hard to believe that something so simple to D I Y can have so significant benefits to your health I am glad that I have made the right decision the moment I heard about it and live a healthy lifestyle ever since If you are undecided please take the first step you will notice your gut and healthy bowel motion and you fall sick less before you realise it you have freed yourself from all of the harmful medications You will realise that in order to stay healthy all you need is a strong immune system which is linked to your gut not the medicine not the doctor As for me my family and I have benefited from these D I Y Enzymatic Probiotics drinks for almost a decade and the tremendous health benefit is what keeping me going all these years I hope you will be like myself take back the control of your own health
