## **Robert Mapplethorpe The Photographs:**

*Robert Mapplethorpe* Paul Martineau, Britt Salvesen, 2016-03-15 The legacy of Robert Mapplethorpe 1946 1989 is rich and complicated triggering controversy polarizing critics and providing inspiration for many artists who followed him Mapplethorpe one of the most influential figures of his time today stands as an example to emerging photographers who continue to experiment with the boundaries and concepts of the beautiful Robert Mapplethorpe The Photographs offers a timely and rewarding examination of his oeuvre and influence Drawing from the extraordinary collection jointly acquired in 2011 by the J Paul Getty Museum and the Los Angeles County Museum of Art from The Robert Mapplethorpe Foundation as well as the Mapplethorpe Archive housed at the Getty Research Institute the authors were given the unique opportunity to explore new resources and present fresh perspectives The result is a fascinating introduction to Mapplethorpe s career and legacy accompanied by a rich selection of illustrations covering the remarkable range of his photographic work All of these beautifully integrated elements contribute to what promises to become an essential point of access to Mapplethorpe s work and practice This publication is issued on the occasion of the exhibition Robert Mapplethorpe The Perfect Medium on view at both the J Paul Getty Museum and at the Los Angeles County Museum of Art from March 15 and March 20 respectively through July 31 2016 at the Musée des Beaux Arts de Montréal from September 10 2016 through January 15 2017 and at the Art Gallery of New South Wales Sydney from October 28 2017 through February 4 2018 Robert Mapplethorpe Frances Terpak, Michelle Brunnick, 2016-03-15 Celebrated photographer Robert Mapplethorpe challenged the limits of censorship and conformity combining technical and formal mastery with unexpected often provocative content that secured his place in history Mapplethorpe s artistic vision helped shape the social and cultural fabric of the 1970s and 80s and following his death in 1989 from AIDS informed the political landscape of the 1990s His photographic works continue to resonate with audiences all over the world Throughout his career Mapplethorpe preserved studio files and art from every period and vein of his production including student work jewelry sculptures and commercial assignments The resulting archive is fascinating and astonishing With over 400 illustrations this volume surveys a virtually unknown resource that sheds new light on the artist s motivations connections business acumen and talent as a curator and collector **Robert Mapplethorpe** Felix Hoffmann, 2011 Robert Mapplethorpe Sylvia Wolf, 2013-08-15 Robert Mapplethorpe s black and white Polaroid photographs of the 1970s a medium in which he established the style that would bring him international acclaim are brought together in this new paperback edition Critically praised for his finely modeled and classically composed photographs Robert Mapplethorpe remains intensely controversial and enormously popular This book brings together almost 300 images from the Robert Mapplethorpe Foundation s archive and private collections to provide a critical view of Mapplethorpe s formative years as an artist revealing the themes that would inspire Mapplethorpe throughout his career Included is a selection of color Polaroids and objects incorporating his early instant photography Some images convey a disarming tenderness and

vulnerability others a toughness and immediacy that would give way in later years to more classical form The author traces the development of Mapplethorpe s use of instant photography over a period of five years from 1970 to 1975 when the artist worked mainly in this medium The images include self portraits figure studies still lifes portraits of lovers and friends such as Patti Smith Sam Wagstaff and Marianne Faithful and observations of everyday objects Marked by a spontaneity and creative curiosity these fragile images offer an illuminating contrast to the glossy perfection of the work for which Mapplethorpe is best known allowing us a more personal glimpse of his artistry

Pictures Robert Mapplethorpe,1999 Known primarily for his refined aesthetic Mapplethorpe s classical portraits nudes and still lifes help redefine photography as an art form at a time when the medium was floundering Pictures dispenses with the intellectual political and religious rhetoric surrounding earlier debates allowing the photographs to speak on their own terms 100 duotone photos
