SWOT ANALYSIS

<p style="text-align: center;">Strength</p> <ul style="list-style-type: none"> • Strong Leader (Robin) • Allies with enough passion and dedication to serve and do their mission/task • Tasks are delegated properly • Has a great set of lieutenants • Full support from villagers • Manpower • There is discipline 	<p style="text-align: center;">Weaknesses</p> <ul style="list-style-type: none"> • Increasing size of the band caused it to exceed the food capacity of the forest. • Supplies are becoming scarce so they need to go to other villages to get supplies. • Due to the increase in the members of the band, discipline is not instilled to everyone. • Their Revenue is declining • The sheriff is growing stronger and is becoming more organized. • Sheriff and Prince John are powerful together.
<p style="text-align: center;">Opportunities</p> <ul style="list-style-type: none"> • Kill the sheriff • If the Sheriff will fail to collect taxes • Join hands with the barons • Decrease their manpower (so that the band will be more manageable) • Train specific person on how to grow food, so that there will be enough supply for the band • Expand their camp area 	<p style="text-align: center;">Threats</p> <ul style="list-style-type: none"> • The Sheriff was growing stronger and becoming better organized. He now had the money and the men, and was beginning to harass the band, probing for its weaknesses. • The Sheriff used his political connections to gain some reinforcements, he had powerful friends at court, and was well regarded by the regent, Prince John. • Prince John had spies everywhere and he was known for his vindictiveness.

I chose SWOT analysis so that they will know their band's strengths, weaknesses, opportunities and threats. And for them to be aware of the areas that they need to improve on, and to create a concrete plan on how to enhance their tactics.
