

Community Project Proposal

GENERAL INFORMATION

The Junior League of Charleston is a training organization and our mission is to build better women who build better communities. Our trained volunteers focus on combating hunger and homelessness in the Tri-County area through participation in projects with community partners, selected annually by our members through a formal proposal process. Project proposals can be made for volunteers alone or for funding and volunteers (\$10,000 max). The majority of our members work outside the home, so evening and weekend volunteer opportunities are preferred.
