*Four Chapters on Freedom* Swami Satyananda Saraswati, 2006-10 Puts Together Lectures Delivered By The Author Their Translations In English An Aid To Learning Yoga And Its Philosophy Samadhi Pada Sadhana Pada Vibhuti Pada Kaivalya Pada Cover Slightly Damaged Otherwise Condition Ok **Foucault, Freedom and Sovereignty** Sergei Prozorov, 2016-04-15

Against the prevailing interpretations which disqualify a Foucauldian approach from the discourse of freedom this study offers a novel concept of political freedom and posits freedom as the primary axiological motif of Foucault's writing Based on a new interpretation of the relation of Foucault's approach to the problematic of sovereignty Sergei Prozorov both reconstructs ontology of freedom in Foucault's textual corpus and outlines the modalities of its practice in the contemporary terrain of global governance The book critically engages with the acclaimed post Foucauldian theories of Giorgio Agamben and Antonio Negri thereby restoring the controversial notion of the sovereign subject to the critical discourse on global politics As a study in political thought this book will be suitable for students and scholars interested in the problematic of political freedom philosophy and global governance **Freedom Beyond Sovereignty** Sharon R. Krause, 2015-03-13 This volume explores the nature of human agency including both its vitality and its vulnerabilities The book identifies emancipatory sources of agency under conditions of domination and oppression and it suggests a new pluralist way to understand political freedom Non sovereign freedom should be conceived in a plural way because it takes diverse forms happens in many different places and aims at a variety of ends The book reconstructs liberal individualism in fundamental ways It offers new categories for conceiving human action personal responsibility and the meaning of liberty

*Contemporary Political Philosophy and Religion* Camil Ungureanu, Paolo Monti, 2017-12-12 What is the place of religion in a pluralist democracy The continuous presence of religion in the public sphere has raised anew normative and practical issues related to the role of religion in a democratic polity generating spirited political debates in Western and non Western contexts *Contemporary Political Philosophy and Religion* provides an advanced introduction to and a critical appraisal of the major schools of political thought with a focus on the relationship between democracy and religion Key features of this book include Analyses of different political traditions liberalism republicanism deliberative democracy feminism postmodernism multiculturalism and interculturalism Critical discussions of key contemporary philosophers such as John Rawls Jürgen Habermas Richard Rorty Charles Taylor Susan Moller Okin Martha Nussbaum Will Kymlicka Chandran Kukathas and Bhiku Parekh A pluralist approach that questions the strict divide between analytical and continental political philosophy Discussion on the place of religion in politics from multiple perspectives by drawing on a plurality of political contexts both Western and non Western Analyses of legal and political cases related to different religious traditions for example Islam Confucianism Buddhism Christianity and Hinduism This comprehensive text will be of great use to students of religion and politics in the fields of political and legal theory and religious and theological studies while also offering critical insights and

arguments that will be of interest to the experts in the field *Irreconcilable* Joseph Weiss,2026-02-09 Since the early 2000s the Canadian government has attempted reconciliation with Indigenous Nations through varied efforts treaty processes government commissions rebranding campaigns for settler owned businesses workshops for state and local officials school curriculum changes and a recently christened national holiday However Joseph Weiss argues these state driven initiatives reinforce Indigenous subordination to the settler state This incisive study of the varied responses from both Indigenous Nations and individuals illuminates how reconciliation is implicated in ongoing colonial erasure Critically engaging with a variety of fields including Indigenous studies anthropology history political theory semiotics and museum studies Weiss captures the multiple scales at which these contested dynamics unfold and explores their underlying technologies of erasure *Irreconcilable* unpacks how reconciliation offers amends for anti Indigenous violence while disavowing responsibility for that violence and argues that settler promises of reconciliation cannot be reconciled to the fact of Indigenous sovereignty Nevertheless Weiss illustrates how Indigenous Peoples refuse erasure at every turn instead building alternate futures and lived worlds that are not always already colonially overdetermined

**Party-Society Relations in the Republic of Cyprus** Giorgos Charalambous,Christophoros Christophorou,2015-11-19 The Republic of Cyprus social and political culture is deeply partitocratic with a close relationship between state apparatus and the parties that influence the government s decisions However little is known about the social and political implications of the above traits and even less about how parties influence and are influenced by society at large The concept of linkage which refers to the linking of citizens with government and the political process is vital in the study of the electoral or ideological considerations of parties Parties decisions regarding their organization and image correlates with the effort made to keep up with public opinion *Party Society Relations in the Republic of Cyprus* adds a new dimension to the study of linkage considering the complexity of civil society as well as exploring the dynamics of political parties Bringing together specialists from a range of disciplines it examines the wider effects of partitocracy on democracy and uses it as a frame for exploring the construction maintenance or deformation of links between social groups and parties Through its analysis of both the partisan and societal aspects of party social relations it illuminates larger questions concerning the strategic complexity involved when politics and society interact Approaching the Republic of Cyprus as a representative case study of partitocratic political culture this book is a key resource for those interested in party and civil society politics as well as Cypriot Mediterranean and South East European politics

*Online Place Branding* Phoenix Lam,2020-12-28 Through an interdisciplinary approach combining the concepts methods and tools in language and discourse studies and insights from marketing and tourism research this book examines the online place branding of Hong Kong one of the most visited cities and well known spots in the world The book compares how the place brand is officially constructed and conveyed by the institutional bodies as realised on the Brand Hong Kong website online with how the place brand is publicly experienced and perceived by individuals around the world as realised on

the TripAdvisor Hong Kong travel forum online The book also includes comparative analysis between Singapore and Hong Kong to provide better understanding of online place branding and findings from the comparative study identify interesting similarities and differences between the official portrayal of the place brand of Hong Kong and its public perception in the digital realm as well as between Hong Kong and Singapore in online place branding The book also offers evidence based suggestions on how we can bridge the gap between the online representation and perception of a place brand and how to enhance online place branding in general

**State Religious Education and the State of Religious Life** Liam Gearon, Joseph Prud'homme, 2018-04-04 This book explores recent calls to increase instruction of the Bible in American public schools The work develops a distinctive philosophical and trans Atlantic assessment of these proposals by critiquing European approaches to religious education and by reviewing the role of religion in contemporary democracies The work will spark debate among political scientists policy experts Religious Education instructors theologians and social and educational theorists
