QAnon Marc-André Argentino,2025-07-18 This book explores the QAnon movement by examining its history fluctuations and evolution stemming from the likelihood of multiple users behind the Q account as well as from the changes in the sociopolitical landscape since the creation of the movement It frames QAnon as a lived religion and demonstrates that it has gone through three stages of existence proto QAnon canonical QAnon and apocryphal QAnon Author Marc Andr Argentino argues that QAnon evolved into something more than a conspiracy theory and demonstrates through a comparative analysis that QAnon is more akin to a new religious movement in particular a hyper real religion He explores the role of gender and women in the QAnon movement followed by an examination of how the QAnon conspiracy theories have legitimized and coordinated targeted gender based violence The book provides evidence of the nexus of QAnon and ideologically motivated violent extremism and criminality Finally it examines the evolution of QAnon after the January 6th insurrection the loss of the 2020 election by Donald Trump and the disappearance of Q This volume will be of great interest to researchers of conspiracy theories new religious movements American politics and extremism **They Want to Kill Americans** Malcolm Nance,2022-07-12 NOW A NEW YORK TIMES LOS ANGELES TIMES USA TODAY AND GREAT LAKES INDEPENDENT BOOKSELLER ASSOCIATION BESTSELLER New York Times bestselling author Malcolm Nance offers a chilling warning on a clear present and existential threat to our democracy our fellow Americans Malcolm Nance is one of the great unsung national security geniuses of the modern era Rachel Maddow To varying degrees as many as 74 million Americans have expressed hostility towards American democracy Their radicalization is increasingly visible in our day to day life in neighbors or family members open discussion of bizarre conspiracy theories reveling in the fantasy of mass murdering the liberals they believe are drinking the blood of children These are the results of the deranged series of lies stoked by former President Donald Trump made worse by the global pandemic The first steps of an American fracture were predicted by Malcolm Nance months before the January 6 2021 insurrection heralding the start of a generational terror threat greater than either al Qaeda or the Islamic State Nance calls this growing unrest the Trump Insurgency in the United States or TITUS The post 2020 election urge to return to a place of normalcy to forget is the worst response we can have American militiamen terrorists and radicalized political activists are already armed in mass numbers and regularly missed in the media principally because Trump s most loyal and violent foot soldiers benefit from the ultimate privilege being white They Want to Kill Americans is the first detailed look into the heart of the active Trump led insurgency setting the stage for a second nation wide rebellion on American soil This is a chilling and deeply researched early warning to the nation from a counterterrorism intelligence professional America is primed for a possible explosive wave of terrorist attacks and armed confrontations that aim to bring about a Donald Trump led dictatorship DAYS of TRUMP: The Definitive Chronology of the 45th President of the United States Tim Devine,2022-01-22 With over 400 photos documents and interactive links DAYS of TRUMP The

Definitive Chronology of the 45th President of the United States may be the most comprehensive resource for political historians and lay people alike digging even deeper into the whirlwind days of the Trump presidency than any book released to date Days of Trump is a chronological collected look back at all the significant and even secondary events and headlines of the Trump era that for the first time puts it all together in one place giving the reader and historians the chance to better see how these myriad events all fit into place and where we are left as a nation

Ethics and Sustainability in Digital Cultures Thomas Taro Lennerfors, Kiyoshi Murata, 2023-10-09 Digital technologies now ubiquitous around the world can promote positive values as well as support those that are less socially acceptable To better understand such technologies impact on ethics and sustainability this book situates digital technologies within a cultural context arguing that the technology is received differently in different cultural contexts The book contains chapters on state of the art digital technologies such as artificial intelligence from various countries including Japan and Sweden to highlight the multifarious ways in how ethical and sustainability issues are being manifested in certain cultural contexts The book contributes to furthering understandings on the similarities and differences between digital technology implementations in different cultures promoting a cross cultural dialogue on desired values and how they are promoted or downplayed by such technologies The book is divided into two parts the former focuses on how individuals relate to new digital technologies and the latter focuses on those who develop digital technologies The book targets scholars businesspeople and policymakers interested in the interconnection between digital technologies ethics and sustainability from various cultural viewpoints It provides new case studies on a range of digital technologies and discussions about digital technology implementations in cultural contexts

Global counter-terrorism Sagnik Dutta, Tahir Abbas, Sylvia I. Bergh, 2025-02-25 This collection aims to inaugurate a new direction in research on counterterrorism by exploring global connections both in terms of practices and discourses as well as shared ideas and epistemes that animate counterterrorism practices The chapters grouped under the themes of postcoloniality and coloniality and entanglements of the transnational and the local and counterterrorism and right wing extremism are attentive to global connections and are mindful of the complexities of global historical processes that constitute the politics of counterterrorism This book aims to bring together scholars studying counterterrorism in the global North and the global South to explore convergence and divergence in how counterterrorism policies function in a range of national and local contexts The Introduction is available Open Access on manchesterhive
