Rachel Haimowitz Counterpoint:

Prince of Tricks Jane Kindred,2021-07-12 When desire rises angels will fall Over the past century Belphegor has made a name for himself in Heaven's Demon District as a card sharp thief and charming rogue Though he's content with his own company he enjoys applying the sweet sting of discipline to a willing backside angel demon and even the occasional human He's not particular But when a hotheaded young firespirit steals his purse and his heart all bets are off Vasily a former rentboy and cutpurse from the streets of Raqia has never felt safer than in the arms and at the feet of the Prince of Tricks He's just not sure if Belphegor returns his feelings The attentions of a rich angelic duke provide the perfect opportunity to find out whether Belphegor is willing to fight for him but the foolish game backfires spectacularly When the duke frames Vasily in an assassination plot Belphegor will do whatever it takes to clear his lover's name and expose the real traitor Because for the first time in his life the Prince of Tricks has something to lose See this title's page on RiptidePublishing.com for content warnings

Counterpoint Rachel Haimowitz,2011-12-12 It is the twilight of mankind Depleted by generations of war with a race of dark beasts humanity stands on the brink of extinction The outlands are soaked with the blood of the fallen The midlands are rotting with decadence and despair Elfkind estranged by past crimes watches and waits for nature to run its course And then the two collide Ayden's life has long been guided by two emotions love for his sister and hatred of all things human When he's captured in battle he is enslaved in the service of a human prince Freyrik Farr Freyrik's always known elves to be beautiful and dangerous but never has one affected him as deeply as Ayden Teetering on a dagger's edge between duty and high treason Freyrik discovers that some choices can change a life and some an entire world Between prejudice politics pride and survival Ayden and Freyrik must carve a new path no matter how daunting For nothing less than the fate of both their peoples rests on the power of their perseverance and their love

Power Play: Resistance Rachel Haimowitz,2024-08-12 Give me six months and I'll give you the world Brandon McKinney has scraped and sacrificed for what little in life he's ever had Though it's been fifteen years since he escaped his father's abuse the damage remains Trust seems as far out of reach as his dream of becoming an architect and though he's come to accept being gay he can't deny the shame and confusion he feels at other urges the deeply repressed desire to submit Jonathan Watkins is a self-made Silicon Valley billionaire whose ex-wife took half his money and even more of his faith Comfortable as a Dominant but wary of being hurt again he resorts to anonymous pickups and occasional six-month contracts with subs seeking only a master not a lover When a sizzling back alley encounter cues Jonathan in to Brandon's deep-seated submissive side he makes the man an offer Give me six months of your life and I'll open your eyes to a whole new world Brandon doesn't care about that all he wants is the six million dollars Jonathan's offering so he can buy the construction company he works for But he soon learns that six months on his knees is no easy feat and shame and pride may keep him from all he ever wanted and all he never dreamed he had any right to have Lightly revised 2nd edition Reader discretion advised While consent is clearly established and

frequently reaffirmed some moments in Power Play push hard against the outer edges of consent **The Flesh Cartel, Season 9: Trials and Errors** Rachel Haimowitz, Heidi Belleau, 2013-07-25 With a wedge at last driven between Mat and Dougie Carmichael courtesy of Nikolai Petrovic's expert manipulations the brothers must each accept their new path forward Dougie a perfect slave sweet and obedient and loving Mat a tightly reined dog snarling and snapping but never allowed to bite Unfortunately no transformation however well planned is without its growing pains Mat's leash is so tight it's choking him Dougie is tormented by a little voice inside his head a fragment of his former self that he cannot silence And Nikolai's most difficult tests for the brothers are still to come The critical question isn't whether they can pass those tests but whether they even want to Without each other to lean on and live for a bleak future has become bleaker still But Nikolai's too good to let his slaves slip through his fingers by death or by despair A noose a nighttime sky a shared lover an unexpected friend A foreboding forest cabin A lavish party with all the debauchery Nikolai's clientele could want It's all coming in season 3 of the Flesh Cartel See this title's page on RiptidePublishing.com for content warnings [Crescendo](#) Rachel Haimowitz, 2014-09-15 Bridging the hatred of centuries did not come easy for Freyrik Farr and Ayden Vaska As prince of a war-torn human province Freyrik could ill afford to fall for an enemy And Ayden an elven warrior with three hundred years of bitterness in his heart wanted no part of love Yet they came together despite themselves and the wills of their peoples joining hearts and minds to fight a race of Dark Beasts threatening the extinction of mankind Yet the Dark Beast threat pales beside the dangers of a summons to the human High Court home of the Aegis Exalted and the harshest test yet of Ayden's and Freyrik's fledgling love When the Aegis strips Ayden of his magic Freyrik is forced to choose between his love for elf Aegis and king all the while seeking the one uncertain path that might save his doomed race Time is fast running out for mankind and only by making peace amongst themselves and with their ancient elven enemies can they end the Dark war and undo the tragedy that's plagued humans elves and Dark Beasts alike for the last three hundred years [First Year Counterpoint \(two and Three Voices\)](#) Thomas Tapper, 1935 *Counterpoint* Walter Piston, 1979 **The Art of Counterpoint** Gioseffo Zarlino, 1983 **Counterpoint** Ebenezer Prout, 2013-12-08 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Counterpoint Strict And Free Additional Exercises Melodies And Unfigured Basses For Harmonizing 4 Ebenezer Prout Augener 1890 Music Instruction Theory Counterpoint Music Instruction Study Theory **Fall 08 Counterpoint, Soft Skull Press, Sierra Club Books** Counterpoint, 2008-05-01
