Leadership Handbook Quick Start:

The Indispensable Leader's Handbook James M. Kerr, 2024-08-01 The culmination of 30 years of management consulting and leadership coaching this collection of tried and true tips will make you a better leader when you work to make them yours Unlike other leadership coaching books this is not a guide to help coaches improve their skills but to help leaders improve by folding coaching techniques into their leadership approach It covers a wide variety of topics from mindset to culture to change management and each tip comes with a suggested action for executive mid level and supervisory leaders ensuring this book's value regardless of your current leadership role within your organization Each of the 101 tips is also accompanied by its why Guru Guidance that outlines implications and an Idea Crosswalk section that shows how each tip corresponds to other parts of the book to facilitate innovative thinking about how it can be best put to use Enabling good leaders to become exceptional ones by incorporating coaching skills into their leadership practices this clear and practical reference guide will become a go to resource for current and future business leaders coaches and mentors as well as executive education providers

Combat Leaders' Guide (CLG), Leader Handbook, 1997 Margaret S. Salter, 1997 The Combat Leaders Guide CLG is a job performance aid for leaders to use as a memory jogger during realistic combat training like that at the Combat Training Centers or in continuous operations environments The CLG is a pocket sized quick reference system to be used by trained soldiers at company platoon or squad level The CLG helps to overcome the effects of performance decay over time and during periods of high stress and fatigue It supports unit readiness by providing a leader with doctrinal tactical and technical materials in a quick reference format DTIC

The Leadership Handbook Bomi Doctor, 2020-11-20 There are several types of leaders however essentially two variants one who holds the designation of a leader and the other whose job demands leadership quality You do not need to have a title to be a leader A good leader is one who develops leaders under him While a lot has been written on leadership few if any by an Indian who has worn out the soles of his shoes in the Indian corporate world from field to desk to leadership This book defines authentic leadership in the context of today's world What makes this book a great handbook for a new manager or a seasoned one is its Power of Simplicity which rests on actual experiences drawn from the author's own work life This is a great handbook for aspiring leaders and leaders as well and has lots of practical examples that actually allow leaders referral points to navigate their own corporate attitude associations and path A master at identifying pain points Doctor has left nothing to subtly and bluntly confront the issues at hand His plain speaking style will resonate with managers on the job like it has in the course of his various consultancy assignments A book to be thumbed through ever so often and in real time it is powerful and insightful A must read this book offers tremendous value in terms of guidance and growth for those young leaders who want to excel in their assigned roles For all those leaders who extract the lessons from this simple yet powerful book the reward in terms of results will be extraordinary
