## Sample Script A

Who should be responsible for our people.

It is true that the old Peoples situation gets worse in the many countries. The first question must be what they want's and what they needs? Especially their necessity are more benefit more respect more quiet life.

If they have been working for a long time in the any company or in the Public Sector and when they get old that's means during their retire's time company or Government must be responsible of their welfare, it is just my opinion. They should take care of them.

In addition to company or Government. If they have good money they can look after themselves. We can do something to make easier their life for example an organization or a voluntary association, unions.

The families or Relative's responsibility depends on their wealthy situations. If they could do they should do anything.

Government's or their former place could supply them with life insurance and a good Social Security Policy. The Social community center or old age pensioner like in the Britain are very useful for them.

For all of them life is hard and gets harder, in the their old ages. They expect more attention and good life.

The old people, if don't want lost them. We should do anything that what we able to do.

### Band 5

There are quite a lot of relevant ideas in the answer but they are not always well supported and sometimes they are unclear. There are some areas in the answer where the organisation becomes weak and the reader finds the message difficult to follow. Nevertheless, the writer's view is apparent and there is a logical flow to th points given. There are a lot of mistakes in the answer and some parts, such as the conclusion, are very hard to follow because of these errors. Although there is some appropriate vocabulary, sentence control is very weak.
