Bad Behaviour Mary Gaitskill:

Bad Behavior Mary Gaitskill, 2025-07-08 National Book Award finalist Mary Gaitskill's classic debut collection from the 1980s powerful stories of dislocation longing and desire Now towering and inevitable in its influence on writing by and for young urbanites *Bad Behavior* heralded Mary Gaitskill's arrival on the literary scene and her establishment as one of the sharpest writing talents of her time or any time exquisitely funny and startlingly honest bold and eye opening on relationships sex and the erotic Set in Manhattan's Lower East Side and peopled with artistic freelancers and intelligent sex workers smug yuppies and love torn masochists *Bad Behavior* depicts a world equally cruel and tender where romance and danger go hand in hand Gaitskill delivers unforgettable stories of a disenchanting and rebellious urban fringe generation groping for human connection

Bad Behavior Mary Gaitskill, 1988 This collection of nine stories by Avery Hopwood Award winner Gaitskill marks the debut of a promising and provocative new voice These are tales of sexual obsession drug addiction the darkest sides of human relationships Several of the stories feature young women working as prostitutes Gaitskill's characters possess a curious combination of wit and naivete When asked about her career a character in *Connection* answers I want to work at Dunkin Donuts when I get out of school I want to get fat Or be addicted to heroin I want to be a disaster Gaitskill has a fresh and original ability to reproduce the rhythms of unhappy talk from intellectual hookers to unfulfilled veterinarians Her observations of the details are acute A radio emits horribly optimistic fiddle music On a New York street a character eyes with disaffection and contempt the neatly hatted and booted dyed and moisturized strangers marching toward her Comparisons to Tama Janowitz are inevitable but Gaitskill's humor is more subtle and her writing has a precision and depth that can charge a dreary setting with significance *Bad Behavior* is about bad behavior and more Writing about human nature at its most perverse and hopeless Gaitskill has created an intimate and almost beautiful series of images

[Because They Wanted To](#) Mary Gaitskill, 2012-03-13 A collection of startling and breathtaking stories about people struggling with the disparity between what they want and what they know *A New York Times* Notable Book A man tells a story to a woman sitting beside him on a plane little suspecting what it reveals about his capacity for cruelty and contempt A callow runaway girl is stranded in a strange city with another woman's fractiously needy children An uncomprehending father helplessly lashes out at the daughter he both loves and resents In these raw startling and incandescently lovely stories the author of *Veronica* yields twelve indelible portraits of people struggling with the disparity between what they want and what they know *Because They Wanted To* is further evidence that Gaitskill is one of the fiercest funniest and most subversively compassionate writers at work today
