READING

Read through the passage and then continue with Reading Comprehension exercises below.

My surname "Kuti" is a normal Hungarian surname – it means something like "Wells" ...as in the places where you get water out of the ground. By a strange coincidence "Kuti" is also a name in Nigerian. In the Yoruba language it means "death cannot be caused by any human being". Now I don't think that coincidences have any special meaning most of the time – but in this case it is an example of the power of music to tell you things that are impossible to find out any other way.
