Increased Copper sheet and pipe show price increases of well above 50% in the last year while zinc, lead and aluminium prices have also risen significantly. There are savings in plaster and drainage goods prices are down. All the prices in Laxton's are based on the new 3-year Construction Industry Joint Council wage rate agreement that came into force at the end of June 2006. Saving you time, comprehensive basic price and approximate estimating sections make putting together outline costings quicker and easier. Saving you effort, all the information you need on each measured item is clearly set out on a single page with a full break-down of costs.
