***Finish summary for pages 108-132

L12

-They continue hiking day by day and set up camp again to sleep another night. They worry that Black Beard, their goat, will be attacked by wolves in the night, but she's safe in the morning. They walk all day. Karim estimates that if they reach the Roman road before nightfall, they'll be able to reach Chlifa by the next evening.

The terrain becomes more uneven but they hurry. Karim trips on a route, scraping his hands but protecting Jad in the fall. Rather than stopping there, they feed Jad and push on to find the Roman road, lighting the way with a flashlight. They reach a valley and descend to the bottom. As Maha adjusts Jad's carrier on her torso, the goat runs off. Maha runs after the goat. Karim hears an explosion and runs too.

-Karim is relieved to see Maha running, but she says the goat blew up. Maha is panicked and distraught. She bites Karim's hand and he slaps her. She says she has to find and bury the goat but Karim says it could be a minefield and the goat's just an animal.

Maha follows Karim's lead quietly. Suddenly she begins talking about when she saw Nada's dead and twisted body. She was jealous of her sister, even though she was dead.. Maha says he would rather be on this journey with Nada. Karim e tries to console Maha: he says it isn't a choice between the two, and that Maha is sensitive and good to her brother and challenges Karim to be better. He says everyone has dark thoughts, and it isn't her fault that Nada died.

-Maha continues to express her jealousy. They follow the old Roman road in silence, passing between snow-capped mountains. Karim wonders if Maha invented Nada's hurtful diary entry.
