Fundamentals of Management with Online Study Tools 12 Months Danny Samson, Richard L Daft, Timothy Donnet, 2017-12-05 Samson Daft Donnet's Fundamentals of Management is a robust foundation text providing a balance of broad theoretical content with accessible language for students. This sixth edition features a new author on the team and contains updates to content based on recent research. Along with current management theory and practice, the text integrates coverage of innovation, entrepreneurship, agile workplaces, social media, and new technology throughout. The book is rich with experiential exercises, self-assessment activities, challenges, and cases for students to engage with, developing multiple skills. Examples within the text are both local and global, with a new focus on a skills approach, and each part of the text concludes with a contemporary continuing case study focussing on car company Toyota as it faces managerial challenges and opportunities in the region. The text covers the four key management functions: Planning, Organising, Leading, and Controlling, conveying to students the elements of a manager's working day.

Bookkeeping For Dummies - Australia / NZ Veechi Curtis, Lynley Averis, 2014-09-02 The bestselling guide to stress-free bookkeeping specifically for Australia and New Zealand. Do you want to save time, money, and a few grey hairs by establishing efficient bookkeeping practices? You've come to the right place. Bookkeeping For Dummies, Second Australian New Zealand Edition, shows small business owners and bookkeepers how to record day-to-day transactions, understand GST, generate Profit Loss reports, and so much more. Inside, you'll get to grips with bookkeeping basics, discover how to record business transactions correctly, use the latest accounting software, and find out how to manage employee payroll. You'll also get advice on allocating tricky transactions correctly. The new edition of this bestselling guide has been fully updated to include cloud accounting software, bank feeds, and automated reconciliations. You can find out about changes to BAS Agent legislation and the latest in payroll and tax reporting obligations. New chapters include how to start your own independent bookkeeping practice and a practical explanation of the bookkeeper's professional code of conduct. Covers cloud accounting and recent changes in the accounting software landscape. Includes information and resources specific to Australia and New Zealand. Contains a Foreword written by Matthew Addison, Executive Director of the Institute of Certified Bookkeepers. Provides lots of helpful information and tips for students studying Certificate IV in Bookkeeping or Financial Services. Do you know your assets from your equity? Or are you confused about depreciation?
