Marketing Issues in Pacific Area Tourism Kaye Sung Chon, Chris Ryan, John C Crofts, 2014-01-09 Marketing Issues in Pacific Area Tourism exposes researchers tourism professionals and students to the complexities of marketing issues in the most dynamic region in world tourism today Dispelling commonly held Western assumptions inviting new research and stressing the importance of tourism development in this area to the economics of world tourism this book shows you how and why this region has experienced such tremendous growth Some of the larger countries you learn about include China Hong Kong Japan Korea Malaysia Singapore Taiwan and Thailand Since many of these countries are becoming not only generators of tourist demand but also new tourist receiving areas this book covers both inbound and outbound markets By discussing the opportunities and challenges facing tourism marketing professionals and researchers in the Pacific area Marketing Issues in Pacific Area Tourism helps improve your effectiveness and understanding of conducting business in the Pacific region Some of the factors you read about include the increasing wealth and consumerism of a rapidly growing middle class in the Pacific area the relaxation of international travel restrictions how formerly insular governments of the region are awakening to the possibility of tourism the potential impediments to sustainable tourism development in the region Marketing Issues in Pacific Area Tourism also helps you improve survey design and interpretation by stressing the importance of understanding the heterogenous nature of Asian culture when analyzing tourist behavior and motivation It provides a different perspective of Pacific Region tourism concentrating on the clash of culture between those of the region

and a dominant Western way of doing business Another valuable feature of this book is the presentation of a continuing and improving database from which to assess destination performance and visitor characteristics thus allowing researchers to further identify important marketing opportunities and issues *Marketing Matters* Richard K. Thomas, Michael Calhoun, 2007 Marketing is more than a television ad for a new birthing center or press coverage of a health fair Marketing is reputation management Marketing has become increasingly important to all healthcare managers not just marketers and only senior management can ensure that any marketing plan faithfully reflects the organization's image and strategic thrust This book explains what marketing is what it can contribute to your organization how it is done and how it is measured This straightforward guide will help you become a better marketer not in the sense of developing marketing campaigns but using marketing to shape and control your organization's reputation Topics covered include The marketing process The senior manager's role in marketing Marketing research and planning The dollars and sense of marketing Market positioning and strategy development The promotional toolbox The changing marketing paradigm Measuring the effectiveness of marketing
