Blueprint Promise Orville Gilmore Jr., 2014-10-16 Many act as if the battle is against the system Moreover it will last as long as life I see it differently The fight is lifelong but with yourself How you prepare to meet these hurdles I call weeds and the upcoming future events in my opinion relies on understanding the playing field and your design Discerning this information places you above time This cornerstone of change predicts new thinking alone with a different level of faith practice and discernment leading to a pattern of success This process on paper is your preliminary Blueprint to a Promise The playing field and the lifecycle work together as change agents To enhance a feature one must reach into the spiritual realm and bring the promises provisions and authority of Gods will into the natural realm to be seen by all This book features two parts The first thirteen chapters cover preparation the next fifteen cover the action needed on the playing field The strategy is simple Make a decision believe in that decision act as if you already have it give thanks and praise to your God The unconscious purpose is to tell time what time it is We turn learning into discerning The skim through feature in the first four chapters will get you started

Preparing Antiracist Teachers Christine Montecillo Leider, Christina L. Dobbs, Erin Nerlino, 2024-12-27 *Preparing Antiracist Teachers* Fostering Antiracism and Equity in Teacher Preparation examines multiple strategies and theories for developing antiracist attitudes and actions in teachers and teacher candidates This textbook uses critical consciousness as a framework to help practitioners and scholars to facilitate the process of doing antiracist work The book is divided into three sections with Part 1 focusing on critical reflection which refers to a social analysis and moral rejection of societal inequities such as social economic racial ethnic and gender inequities that constrain well being and human agency It shows that those who are critically reflective view social problems and inequalities in systemic terms and are therefore better able to address them Part 2 examines sociopolitical efficacy which refers to the perceived capacity to effect social and political change by individual and or collective activism Part 3 centers on critical action that is individual or collective action taken to change aspects of society such as institutional policies and practices that

are perceived to be unjust This is a broad view of activism that can include participation in activities such as voting community organizing and peaceful protests Showcasing both USA based and international case studies Preparing Antiracist Teachers will support teacher educators in their work by presenting nuanced and important means of teacher education for antiracism and critical consciousness It will also benefit those studying related courses including Teacher Education Social Justice Education and Multicultural Education *Blueprints* Virginia A.
