The Great Deception Beverly Green,2021-03-30 The Great Deception by Beverly Green

I Believe: A Fulfillment of Promises Lance Edwin Compton,2014-06-26 A self described hillbilly from western Oklahoma Lance Compton is one of God s unlikely servants whose life illustrates that Jesus Christ did not cease to transform the wayward into His ambassadors on the Damascus Road

After a devastating diagnosis with cancer in the seventh grade Lance was miraculously and spontaneously healed by God's gracious hand. This event gave him an unquenchable desire for a deeper knowledge and fuller understanding of his Creator and he immediately embarked upon an unorthodox journey toward that end. Lance's peregrination of faith has brought him into fellowship and friendship with some of the country's most influential people, allowed him to see the halls of power reserved a seat for him at the table of one of the world's largest Christian ministries, anointed him a zealous caretaker of society's discards, asked him to prevent a heinous murder, shown him the extent to which God's grace abounds, bestowed upon him the grandest of purposes and led him to the greatest treasure of all: intimate knowledge of the Truth. You will want to walk alongside Lance as he recounts his journey upon the narrow way and learns from station to station how secure is that foundation upon which the structure of a full life stands, how careful is the Potter whose hands labor diligently to bring forth perfection, how priceless is the mosaic that reflects the light of its Maker, and how beautiful are the feet that abide in the dust for good news sake. Come and see.

Zondervan Compact Greek Lexicon Paul Norman Jackson, 2025-04-29 The Zondervan Compact Greek Lexicon by Paul N Jackson and George H Guthrie is a portable and affordable dictionary that provides concise contextualized meanings for every word in the Greek New Testament. It incorporates the best of the latest scholarship and is ideal for the student and pastor. Designed for dynamic engagement with the meanings of Greek words, the Lexicon employs a consistent scheme that shades each distinctive part of every word. Each entry also includes a total occurrence count for the Greek New Testament. Noun entries include their genitive form with their appropriate article and declension. Words occurring four times or less include every biblical reference for those occurrences and words occurring more than four times will offer representative biblical references. All definitions are contextually driven but when a word's definition requires extended treatment due to lexicographical uncertainty or scholarly debate, a superscripted reference is included. Finally, the Lexicon identifies and treats irregular verbs in the Greek New Testament, helping students of all levels recognize verbal forms whose form is virtually identifiable within its original context.
