

# Game Project Management

John Hight & Jeannie Novak

"This book contains the conceptual tools for a class which endeavors to turn out creative and effective managers and designers. Finally, an in-depth, accurate section on history! I find myself wishing that this text was available when I was hired for my first Project Management/Art Director position in interactive media."

—Steven Hamrick,  
Associate Chair, Art and Design / Director, Integrated Studio Arts,  
New York University

Game Development Essentials: Game Project Management is the first and only book to offer a comprehensive introduction to game project management in an informal and accessible style, while concentrating equally on theory and practice. The book offers an engaging and informative overview of the complete game project management process including roles and responsibilities of team members, phases of production, concept development, testing, marketing, scheduling, and budgeting. The fast-growing game industry has fueled rapid upward movement of game production staff into the ranks of management. This timely and insightful book will train readers in the tools and techniques necessary to become effective team leaders.

## Look inside for these outstanding features

- Written for the beginning student, this text provides a deep understanding of game-specific project management principles through its focused subject matter.
- Includes thought-provoking essays and study questions to reinforce learning.
- Incorporates a wealth of case studies, quotations, tips, and profiles of game developers and producers, plus concise author notes and problem-solving exercises to help the reader focus in on issues specific to game project management.
- Covers game project management techniques and documentation associated with design, programming, art, audio, and production planning.
- Discusses project management techniques specific to both game development studios and publishers involving both external and internal producers.

## About the Authors

John Hight is the Director of Production, External Development for Sony Computer Entertainment of America. In 1996, John built his first game, *Battlebliss*, for the Philips CDi player. Since that time he has worked on over 30 games and nine educational products on various platforms. He's been fortunate to serve many different development roles: programmer, artist, designer, writer, producer, and studio executive. John oversees external production for Sony in Santa Monica, where his team has produced *Blasphemous* (one of the first downloadable games on Sony's Network Platform) and *MOA* (the first indie game published on PlayStation 3). While Executive Producer at Atari, John brought *Warcraft of the Coast*, *Star Wars*, and *Obidian* together to develop *Neverwinter Nights 2*. In his role as Executive Producer and Director of Design for Electronic Arts, John led the design and creative production of *Command & Conquer: Red Alert 2*, *Yuri's Revenge*, and *Max*. John holds a BSE in Computer Science from the University of New Mexico and an MBA from USC's Marshall School of Business.

Jeannie Novak is lead author and series editor of Cengage Learning's Game Development Essentials series. Through Indigofox, an interactive entertainment, she founded in 1994. Jeannie consults with creative professionals in the music, film, and television industries to help them migrate to the game industry. Jeannie is the Academic Program Director of the Game Art & Design and Media Arts & Animation programs of the Art Institute Online. She has been a game instructor and course development expert at UCLA Extension, Art Center College of Design, DePaul University, Westwood College, ITT Technical Institute, and the Academy of Entertainment and Technology at Santa Monica College. Jeannie received a BA in Mass Communication from the University of California, Los Angeles, and an MA in Communication Management from the Aronson School for Communication at the University of Southern California.

### **Game Development Essentials Game Project Management Pdf Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Game Development Essentials Game Project Management Pdf has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Game Development Essentials Game Project Management Pdf has opened up a world of possibilities. Downloading Game Development Essentials Game Project Management Pdf provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Game Development Essentials Game Project Management Pdf has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Game Development Essentials Game Project Management Pdf. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Game Development Essentials Game Project Management Pdf. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Game Development Essentials Game Project Management Pdf, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Game Development Essentials Game Project Management Pdf has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
