The current economic crisis has had a drastic impact on both public and school libraries. As budgets shrink, resources become scarcer, and the job of the librarian becomes harder. The conundrum of doing more with less challenges even the most seasoned professionals whose institutions face service cutbacks, disappointed patrons, and possible job eliminations or closures. This book asserts that a collaboration between school and public libraries can effectively serve the needs of two populations: teens and the community at large, while minimizing the cost to do so. *Better Serving Teens through School Library-Public Library Collaborations* offers thought-provoking advice and ideas for practical use in real-world libraries.
