Collected Papers ... Sigmund Freud,1924 International Medical and Surgical Survey ,1922 Collected Papers: Early papers. On the history of the psycho-analytic movement Sigmund Freud,1924 *Mastering Your Fears and Phobias* Michelle G. Craske,Martin M. Antony,David H. Barlow,2006-09-07 Specific Phobia is the most commonly occurring anxiety disorder with approximately 12.5% of the general population reporting at least one specific phobia during their lives. People may fear heights, flying, spiders, blood, water, and any other number of circumscribed objects or situations. Research has shown the most effective treatment for these fears and phobias is an exposure-based cognitive behavioral program. Written by renowned researchers, this Therapist Guide provides you with all the information you need to help your clients ease their anxiety and conquer their fears. Whether they are afraid of dentists, dogs, or driving, you can teach your clients the necessary skills to overcome their phobia in as little as a few weeks. The strategies outlined in this book include exposure exercises and cognitive restructuring techniques. The corresponding Workbook includes blank forms and records for tracking progress and allows the client to extend the therapeutic experience outside of the office. Together, both books form a comprehensive package that has proven to be the most effective and successful treatment available for specific phobia. TreatmentsThatWork™ represents the gold standard of behavioral healthcare interventions. All programs have been rigorously tested in clinical trials and are backed by years of research. A prestigious scientific advisory board, led by series Editor in Chief David H. Barlow, reviews and evaluates each intervention to ensure that it meets the highest standard of evidence, so you can be confident that you are using the most effective treatment available to date. Our books are reliable and effective and make it easy for you to provide your clients with the best care available. Our corresponding workbooks contain psychoeducational information, forms, and worksheets, and homework assignments to keep clients engaged and motivated. A companion website, www.oup.com/us/ttw, offers downloadable clinical tools and helpful resources. Continuing Education (CE) Credits are now available on select titles in collaboration with PsychoEducational Resources, Inc.
