The Publishers Weekly, 1923 Children's Literature Abstracts, 1985 **Collins Introducing English to Young Children: Spoken Language** Opal Dunn, 2014-01-02 A practical teacher guide book for teaching spoken English to young children **Peabody Journal of Education**, 1930 Developing Partnerships with Families Through Children's Literature Elizabeth Lilly, Connie Green, 2004 This book blends information on contemporary families research on early literacy and practical strategies for

sharing children's literature in classrooms, homes, and pre-school settings. Content is based on the belief that adult-child interactions around story reading play a significant role in fostering and developing children's language and literacy skills. This role manifests itself differently according to the social, cultural, and linguistic environment of a child's home. The authors present a selection of children's books from all genres and an array of field-tested ideas for developing early literacy. Authentic voices of teachers, children, and family members illustrate vivid descriptions of successful teacher-family partnerships and literacy strategies that work.

FEATURES Extensive lists of children's books. Coded by age range for easy selection. Culturally diverse titles are incorporated that sensitively portray children with exceptionalities. Supplies readers with a wealth of choices in fiction, nonfiction, poetry, biography, and picture books, providing a starting point for building a personal library to share with their children and families. Significant coverage of family life, including respectful, positive treatment of diversity in traditions, style, and structure, embedded in discussions in every chapter. Gives readers practical suggestions for promoting reading in daily families. Includes daily routines, bedtime, playtime, preparing meals, as well as transitions such as the birth of a new child or a death in the family.

A Literacy Partnership Cycle Highlighted by numerous literacy strategies that promote family involvement. Gives readers a simple framework for engaging families in their children's early literacy development. Describes effective literacy practices for collaborating with families at home and at childcare centers and preschools.

Teacher to Teacher and Family to Family features Throughout the book. Illuminates text content through the unique experiences of preschool teachers, kindergarten teachers, and other childcare specialists. Address common concerns and challenges and offer practical suggestions shown to be effective in translating theory into practice.

Internet Resources sections Highlighted within chapters wherever appropriate. Refer students to Web sites relevant to early literacy.

family involvement, children's literature, and advocacy are ideal for in-class discussions, assignments, or self-study.

AUTHOR BIOS

Elizabeth Lilly, Ph.D. is an associate professor of Early Childhood and Literacy Education at Berry College. Her professional experience includes more than 20 years as a preschool, primary, and elementary teacher and teacher educator. Dr. Lilly was closely involved in the development, implementation, and evaluation of Georgia's Pre-K program. She has conducted workshops for teachers and authored publications on early literacy, family involvement, and children's literature. Her research has focused recently on story reading in linguistically and culturally diverse families.

Connie Green, Ph.D. is a professor in the Reading and Birth through Kindergarten programs at Appalachian State University. For 20 years, she has worked with both undergraduate and graduate teacher education programs and has conducted research on early reading and writing in both home and early childhood settings. A former kindergarten, elementary, and preschool teacher, she continues her work in early childhood settings. Her favorite times are spent sharing books and playing with her grandchildren and hiking in the beautiful Blue Ridge Mountains.

Library Notes, 1965 **Top of the News**, 1974 *Critical Perspectives on Postcolonial African Children's and Young Adult Literature* Meena Khorana, 1998-04-08

The past few years mark a growing scholarly interest in

African children's literature in the United States Several books have recently been published on the subject and the number of papers on African children's literature presented at conferences or published in scholarly journals also seems to have increased These publications are becoming more and more sophisticated as scholars move away from general country surveys or analyses of publishing conditions and instead analyze literary structures themes and illustrations or apply Marxist feminist or postcolonial theories to interpret literary works The question of an authentic voice in postcolonial African children's literature has emerged as a central concern to those who care about books for African children and young adults Also of importance is the matter of how Africa is presented in literature for children who do not live on that continent The essays in this book either take a postcolonial or revisionist approach to the study of colonial literature or discuss books published after decolonization The introductory essay provides a general analysis of the key issues facing the publication of children's books in postcolonial Africa issues of national identity language appropriate genres and relevant themes to inculcate a nationalistic outlook in children and young adults The chapters that follow are located within this broad framework and are written by expert contributors While these essays reflect the scholarly interests and specialization of each author they also span the entire field of African children's literature The first group of chapters surveys African children's literature from a variety of angles and explores such topics as literacy and the publishing culture in Africa the role and importance of awards Nigerian young adult literature and the relevance of folktales The book then turns to a discussion of books about Africa written by Western authors for Western readers which often project values and perspectives that betray a continuing colonial bias The last part of the book examines more specialized themes and concerns
