Urban Fantasy Academy Manual Book:

Coven: Books 7-9 Bundle (witch urban fantasy) David Neth, 2022-07-08 David Neth's urban fantasy series follows sister witches Samantha and Kathy as they face mythical creatures, monsters, spirits, and more magical foes. This bundle contains Oracle, Trickster, and Poltergeist books 7, 8, and 9 in the Coven series. Oracle: It's better not to know things, sometimes. Suspecting she might be pregnant, Samantha seeks out Vanita, an oracle, to ask whether she and Steven are even ready to have kids. During the reading, Samantha receives a vision of a man bleeding out on the ground. Learning from past mistakes, Samantha recruits Kathy's help to track him down. After searching for hours in the frigid winter night, the sisters come up empty. Samantha returns to Vanita for further answers and learns that the man in the vision is none other than Vanita's brother, Oren. When the sisters enact their plan to save Oren, they discover that Vanita isn't as innocent as she let on. Right in front of the sisters' eyes, she stabs her brother and steals her family's powerful amulet to wreak havoc with it. The sisters are ready to launch into a search for Vanita but must tend to Oren's physical injuries as well as some of their own intangible ones as Kathy finds Steven in a compromising situation which erupts in the biggest marital spat he and Samantha have ever had. The sisters must pull together their emotions and trust each other if they're going to get the amulet back. Otherwise, the world as they know it could be over. Oracle is the seventh book in the Coven series, which serves as a prequel to the Under the Moon series. Trickster: Not everything is as it seems. A carnival birthday party for a one-year-old turns terrifying when a little girl lets out a scream from within the funhouse. Samantha and Kathy rush in to rescue her, only to find a demented clown hovering over the girl, feasting on her screams. He gets away, leaving the sisters scratching their heads as to who or what it might be. After asking around, the staff all claim that there are no clowns employed by the carnival, which doesn't explain what the girls witnessed. To make matters worse, Kathy is pulled away after her friend has a surprising revelation about her boyfriend, Jeremy. That leaves Samantha, whose powers haven't been working exactly right ever since she became pregnant. As the sisters struggle to find answers, another kid is found unconscious deep inside the funhouse tent. With hundreds of children arriving at the carnival for fun and games, the clock is ticking for the sisters to find a way to stop what lurks inside. And it's only a matter of time before he gets what he's after. Trickster is the eighth book in the Coven series, which serves as a prequel to the Under the Moon series. Poltergeist: You never know what will follow you home. While touring a fixer-upper, they're considering buying. Samantha and Steven both have bad feelings about the house. Samantha, who is seven months pregnant, feels a wave of energy come over her as Steven and the realtor go down to look at the basement without her. Deciding to pass on the abandoned house, Samantha and Steven later return home without a second thought about the house. Meanwhile, Kathy has been busy planning Samantha's baby shower with Steven's mother. It's not until Steven points out Samantha's odd behavior that Kathy begins to notice it too. As the baby shower looms nearer, Kathy is determined to figure out what's going on with her sister before Samantha is the center of attention in front of everyone. When Kathy and Steven consult a medium

about what might be going on they learn that Samantha is very likely possessed by a poltergeist And with her growing baby in her belly the evil spirit may prove impossible to exorcise Poltergeist is the ninth book in the Coven series which serves as a prequel to the Under the Moon series Keywords urban fantasy demon urban fantasy witch urban fantasy wizard urban fantasy mysteries female urban fantasy urban fantasy sword urban fantasy action urban fantasy demons urban fantasy mage urban fantasy sorcerer urban fantasy angel urban fantasy angels fantasy books urban fantasy series complete urban fantasy series paranormal books supernatural books fun urban fantasy full length urban fantasy humorous urban fantasy books fantasy female protagonist fantasy supernatural thrillers books witch fantasy supernatural powers come into powers ghosts angels fae wizard demons Urban Fantasy Paranormal complete series fantasy book urban fantasy books with magic completed series fantasy series urban fantasy series for adults supernatural mystery supernatural thriller supernatural suspense ghost stories paranormal mystery contemporary fantasy paranormal suspense witches witch mage vampires magical worlds alternate history modern fantasy dark fantasy gargoyles **Scythe Grove Academy** Laura Greenwood, Syxe has seen ghosts her entire life but it's only when she learns she's a reaper that it all starts to make sense Most students at Scythe Grove Academy are worrying about their studies not the cults they grew up in but for Syxe that's her reality With her past a mystery and her powers as a reaper completely undeveloped there's lots for Syxe still to learn If you like heroines who can talk to ghosts university age paranormal academy settings slow burn friends to lovers and coming of age plots then start the Scythe Grove Academy series today Scythe Grove Academy includes Shadow Seer Shadow Prophet and Shadow Oracle
