## **Introduction To Political Science:**

political science is for everybody amy l. atchison,2021-02-01 political science is for everybody is the first intersectionality mainstreamed textbook written for introductory political science courses While political science and politics are for everybody political institutions are neither neutral nor unbiased When we write political science textbooks that obscure the differences in how groups experience and interact with political institutions we do students a disservice This book exposes students to these differences while also bringing marginalized voices to the fore allowing more students to see their lived experiences reflected in the pages of their textbook Bringing together a diverse group of contributors political science is for everybody teaches all the basics of political science while showing that representation matters both in politics and in the classroom

Political Science Michael G. Roskin,Robert L. Cord,James A. Medeiros,Walter S. Jones,2011-02-25 Political Science offers a thorough introduction to the basic concepts and theories of political science With a critical look at the major theories it exposes students to many ways of thinking and challenges them to think critically while emphasizing both US and comparative politics

*Introduction to Political Science* Craig Parsons,2021 Politics pervades every aspect of our lives as human beings As Aristotle said we are political animals
