Islamic Economics Nayyer Manzoor,1986 **Contributions to Islamic Economic Theory** Masudul Alam Choudhury,1986-06-18 **Islamic Economics as Mesoscience** Masudul Alam Choudhury,2020-11-24 This book presents the building blocks of Islamic economics as meso science offering an in depth study of the Qur'anic worldview of the monotheistic unity of knowledge which is the universal and unique message of Tawhid in the Qur'an This primal ontological premise is formalised in an analytical approach that introduces and unpacks the philosophical concepts of ontology epistemology and phenomenology in relation to the Tawhidi methodological worldview The analysis of Qur'anic logical consistency is then cast in a phenomenological perspective by applying the complete model of the unity of knowledge of the Qur'an in a specific study of the Tawhidi methodological approach to Islamic financial economic theory In doing so it tackles the problems of meso economics given its socio scientific holism in world affairs It hones in on the results of the symbiotic modulation of evolutionary learning processes in the world system of the unity of knowledge and its material embedding across knowledge and knowledge induced space and time dimensions The author poses that Shari'ah is only partial in its scope and excludes an analytical methodological worldview Shari'ah is thus cast in the midst of a meso socio scientific absence of any appertaining methodology The book is a landmark work in the conceptual and applied understanding of Tawhid as the methodological worldview of the monotheistic unity of knowledge in the meso socio scientific realm of everything particularised to Islamic economics Adopting an inter disciplinary view integrating various fields it challenges pervasive Western academic and institutional thinking in terms of economics It will be of interest to students and researchers in Islamic economics religious theory Islamic philosophy development studies and finance **Information Sources on Islamic Banking and Economics** S. Nazim Ali,Naseem N. Ali,1994-01-10 Islamic banking and economics IBE is a fast growing subject of vital interest in both East and West as Muslims change their attitudes towards investments and find ways to invest their funds according to the Islamic faith Along with the rapid developments in Islamic banking there has been a concomitant increase in the quantity of relevant IBE material **Theory of Islamic Economics** S. Behdad,T. Kurnan,2006 In this study we have tried to find out answer of some important questions raised by Muslim economists **Handbook of Ethics of Islamic Economics and Finance** Abbas Mirakhor,Zamir Iqbal,Seyed Kazem Sadr,2020-04-20 Since the financial crisis of 2007-2008 a renewed discussion on the ethics and finance is being examined from different dimensions finance for good society responsible finance ethical finance financial crimes and financial repression The principal objective of this Handbook on Ethics of Islamic Economics and Finance is to provide a deeper understanding of the ethical underpinning of Islamic economics and finance The reader will notice that the Handbook reflects a diversity of views on the subject of economic and business ethics in Islam across the intellectual spectrum of Muslim thought over the globe Handbook attempts to find answers to some questions concerning the definition and characteristics of the ethical system in Islam What is its goal

and how do its rules and practices ensure welfare for individuals and society Are the moral principles universal and invariable or do they change and adapt with the social changes of communities and progress in science and technology Is the present generation accountable for the welfare of future generations Where is the boundary between law and ethics and who guarantees their adoption and implementation
