*Physical Management for Neurological Conditions E-Book* Sheila Lennon, Gita Ramdharry, Geert Verheyden, 2023-10-04. *Physical Management for Neurological Conditions* comprehensively covers the essentials of neurorehabilitation, starting with thirteen guiding principles and a new chapter on clinical reasoning and assessment. It discusses the physical management of common neurological conditions such as stroke, traumatic brain injury, spinal cord injury, multiple sclerosis, and Parkinson's, followed by less common conditions such as inherited neurological conditions, motor neuron disease, polyneuropathies, and muscle disorders. Produced by a team of international editors and experts, this fifth edition is the most up-to-date evidence-based textbook available for undergraduate students and qualified health professionals alike, focusing on selecting appropriate evidence-based tools rather than subscribing to any specific treatment approaches. It is a core physiotherapy textbook designed to provide students with everything they need to pass the neurological component of their degree. Fully updated to provide comprehensive information on optimal physical management within movement limitations, suitable for any health care context or environment. Using international case studies to apply theory to clinical practice. Easy to navigate and understand for students, new graduates, and therapists returning to practice or changing scope of practice. New content on assessment, clinical reasoning, technology-based rehabilitation, and complex case management, including disorders of consciousness and adults with cerebral palsy. Full update of the evidence base within each chapter, including reference to the increased use of remote delivery of services and challenges accelerated by the COVID-19 pandemic. New international authors.

**The Art of Attraction- How to Make Her Fall for You** Salim Khan Anmol, 2025-03-16. *The Art of Attraction: How to Make Her Fall for You: A Complete Guide to Understanding, Mastering Attraction*. ISBN 10 ISBN 13. By Salim Khan Anmol. March 16, 2025. *The Art of Attraction: How to Make Her Fall for You*. What if you could make any woman feel an undeniable attraction toward you without trying to impress her without playing games and without pretending to be someone you're not? Attraction isn't about luck. It's not about being the richest, the most handsome, or the smoothest talker in the room. Some men naturally draw women in, while others struggle to keep their interest. Why? Because attraction follows a pattern, a set of hidden rules that most men don't even realize exist. This book isn't about temporary tricks, cheesy pickup lines, or manipulation. It's about transformation. It's about becoming the kind of man who effortlessly ignites desire, builds deep emotional connections, and leaves a lasting impression on the woman he desires. What you'll discover in this book: *The Science of Attraction*. Learn the biological and psychological factors that

make women irresistibly drawn to certain men

**How to Be Bold** Ranjay Gulati, 2025-09-30 A USA Today Bestseller. I love this book. *How to Be Bold* is a practical road map filled with real-life stories that will inspire you and help you find courage when it matters most. Mel Robbins, New York Times bestselling author and host of *The Mel Robbins Podcast*. From the distinguished Harvard Business School professor and author of *Deep Purpose* comes a fresh examination of courage: what it is and how we are all capable of brave acts. What leads people to speak truth to

power share bold new ideas or put their lives on the line Most of us chalk it up to personality presuming that our heroes are naturally fearless But what if courage isn t simply a matter of personality What if it s something that any of us can develop In *How to Be Bold* Ranjay Gulati offers a powerful playbook for becoming bolder and braver than we ever thought possible Rather than leaving brave deeds to mythological heroes and resigning ourselves to apathy or cowardice we can train ourselves to step up and act in the face of uncertainty The key Gulati argues is to adopt ways of thinking that allow us to neutralize or moderate our fears By shifting how we see ourselves and the world we can lower the odds that we ll freeze up in the moment while also sustaining courage over prolonged periods We also can inspire others around us to display what Gulati calls collective courage Gulati shares vivid accounts of extraordinary courageous behavior taking readers inside a nuclear reactor under threat of meltdown to the front lines of a war zone and into space with NASA astronauts Connecting these stories with more mundane examples such as the bravery shown by health care workers during the height of the COVID pandemic and by a whistleblower who took the bold step to expose their employer Gulati reveals that what all of these people have in common isn t fearlessness It s the ability to think in ways that help them manage their fears and make courageous action possible We all dream of being heroes and some of us actually live those dreams Whether you re a leader steering your organization through uncertainty an activist standing up for your beliefs or a young person simply looking to live your best most fulfilling life *How to Be Bold* gives you the science based insight and strategies you need to take more action do more good and leave an inspiring legacy
