Scroll Up and Grab Your Copy Today *Shopping Malls and Public Space in Modern China* Mr Nicholas Jewell,2015-10-28

This volume addresses a less explored aspect of China's urban rejuvenation: the prominence of the shopping mall as a keystone of its public spaces. Here the presence of the built form most representative of Western capitalism's excess is one that makes explicit the tensions between China's Communist state and its ascent within the free market. This book examines how these interrelationships are manifested in the culturally hybrid built form of the shopping mall and its role in contesting the public space of the modern Chinese city.

Emerging Perspectives on the Mobile Content Evolution Aguado, Juan Miguel, 2015-09-21. In less than a decade, mobile technology has revolutionized our cultures, societies, and economies by impacting both personal and professional aspects of human life. Mobile technology has therefore become the fastest diffusing technology in history, expanding and transforming existent possibilities by making technology accessible and ubiquitous. *Emerging Perspectives on the Mobile Content Evolution* seeks a better understanding of the centrality of mobile content in the recent and coming evolution of both the ICT ecosystem and the media industry. This publication appeals to a broad audience within the interdisciplinary field of media studies, covering topic areas such as journalism, marketing, and advertising, broadcasting, information management, media management, media economics, media and technology-related public policies, media sociology, audience consumption studies, and arts. This publication presents a multi-disciplinary discussion through a collection of academic chapters covering topics such as mobile communications and entrepreneurship, reflection on wearables, and innovation, personal and mobile healthcare, mobile journalism and innovation, and behavioral targeting in the mobile ecosystem.
