Soldiers Alive:

Soldiers Alive Ishikawa Tatsuzo,2003-07-31 When the editors of Ch k ron Japan s leading liberal magazine sent the prizewinning young novelist Ishikawa Tatsuzo to war ravaged China in early 1938 they knew the independent minded writer would produce a work wholly different from the lyrical and sanitized war reports then in circulation They could not predict however that Ishikawa would write an unsettling novella so grimly realistic it would promptly be banned and lead to the author s conviction on charges of disturbing peace and order Decades later *Soldiers Alive* remains a deeply disturbing and eye opening account of the Japanese march on Nanking and its aftermath In its unforgettable depiction of an ostensibly altruistic war s devastating effects on the soldiers who fought it and the civilians they presumed to liberate Ishikawa s work retains its power to shock inform and provoke **Soldiers** ,1995 *Soldiers in King Philip's War* George Madison Bodge,1906 *The Many Lives of the First Emperor of China* Anthony J. Barbieri-Low,2022-08-09 Tyrant or national hero An interdisciplinary exploration of China s First Emperor Ying Zheng founder of the Qin empire is recognized as a pivotal figure in world history alongside other notable conquerors such as Alexander the Great Genghis Khan and Julius Caesar His accomplishments include conquest of the warring states of ancient China creation of an imperial system that endured for two millennia and unification of Chinese culture through the promotion of a single writing system Only one biased historical account written a century after his death in 210 BCE narrates his biography Recently however archaeologists have revealed the lavish pits associated with his tomb and documents that demonstrate how his dynasty functioned Debates about the First Emperor have raged since shortly after his demise making him an ideological slate upon which politicians revolutionaries poets painters archaeologists and movie directors have written their own biases fears and fantasies This book is neither a standard biography nor a dynastic history Rather it looks historically at interpretations of the First Emperor in history literature archaeology and popular culture as a way to understand the interpreters as much as the subject of their interpretation *The Long History of the Short Life of Clarice* James Stellar,2026-01-06 The Long History of the Short Life of Clarice transits through time and space from the Florida Everglades to the Inland Sea of Japan to the high peaks of the Beartooth Mountains of Montana The heroine of the story Clarice with her dog Pesky and her gal pal Sam live a life of exuberance and originality tucked away in the of the Everglades Clarice and Pesky come across a wide cast of characters from quite different walks of life who all contribute to her exuberant life filled creations and adventures A sensitive old artist with a painterly touch capturing the essence of life a young mountain man adventurer and a mysterious sea captain healer make up a cast who somehow all interact with Clarice in her daily escapades of living life to the max Oh and a gargantuan green crocodile makes its presence felt to the community of the Everglades as both protector and confidant of their way of life Zany comical insightful and truthfully resonant this book imparts great wisdom through the lives of these many characters in a profoundly sensitive way Onondaga's Centennial Dwight Hall Bruce,1896 **Records of the Past**
