

SLAUGHTERHOUSE-FIVE or

The Children's Crusade: A Duty-Dance with Death

The novel tells the story of Billy Pilgrim's (protagonist) struggles to make sense out of a life forever marked by the firsthand experience of war's tragedy.

Kurt Vonnegut (1922-2007)

- An American writer, Postmodernist writer
- Born and raised in Indianapolis
- Attended Cornell University but withdrew in January 1943 and enlisted in the U.S. Army.
- He was deployed to Europe to fight in World War II and was captured by the Germans during the Battle of the Bulge.
- He was interned in Dresden, where he survived the Allied bombing of the city in a meat locker of the slaughterhouse where he was imprisoned.
- He felt guilt about writing the novel at some point of his life. He said, "The Dresden atrocity, tremendously expensive and meticulously planned, was so meaningless, finally, that only one person on the entire planet got any benefit from it. I am that person. I wrote this book, which earned a lot of money for me and made my reputation, such as it is. One way or another, I got two or three dollars for every person killed. Some business I'm in."

About the novel

- Antiwar novel; historical fiction; science fiction; semi-autobiographical fiction
- Narrator: The author, or arguably, sometimes an anonymous narrator with a similar point of view
