Gleaned from more than two decades worth of Discworld tales, here is an essential compendium of insightful musings, witty commentary, and sagacious observations by New York Times bestselling author Terry Pratchett, compiled by Pratchett expert Stephen Briggs. In the bathtub of history, the truth is harder to hold than the soap and much more difficult to find. All assassins had a full-length mirror in their rooms because it would be a terrible insult to anyone to kill them when you were badly dressed. Filled with wonderful bon mots, double entendres, not to mention breathtaking insights, *The Wit and Wisdom of Discworld* is a compendium of the wittiest, pithiest, and wisest quotations from Pratchett's madcap universe, a place that looks, sounds, and smells suspiciously like our own. Pratchett has created an alternate universe full of trolls, dwarfs, wizards, and other fantasy elements, and he uses that universe to reflect on our own culture with entertaining and gloriously funny results. It's an accomplishment, nothing short of magical. Chicago Tribune

Pratchett, 2009-10-06 Football food fashion and wizards collide in Pratchett's affectionate satire on the foibles of sports and sports fans. The prose crackles with wit and charm and the sendups of league football, academic posturing, Romeo and Juliet, and cheesy sports dramas are razor sharp and hilarious but never cruel. At its heart, this is an intelligent, cheeky love letter to football, its fans, and the unifying power of sports. Publishers Weekly: Football aka soccer comes to the ancient city of Ankh-Morpork, upending the wizards of Unseen University and dividing Discworld in this wonderfully funny novel in Sir Terry Pratchett's internationally bestselling series. The wizards at Ankh-Morpork's Unseen University are renowned for many things: wisdom, magic, tea-time, but athletics not so much. When Lord Vetinari, the city's benevolent tyrant, strongly suggests to Archchancellor Mustrum Ridcully that the university revive its sports program and field a football team composed of faculty, students, and staff, or lose the funding that pays for their nine daily meals, the wizards of UU find themselves in a quandary. First, they have to understand what makes football so popular with Ankh-Morporkians. Then they have to learn how to play it and win without using magic. Of course, the thing about football is that it is never just about football. The Discworld novels can be read in any order, but *Unseen Academicals* is the seventh and final book in the Wizards collection and 37th Discworld book. The other books in the Wizards collection include *The Color of Magic*, *The Light Fantastic*, *Sourcery*, *Eric*, *Interesting Times*, *The Last Continent*. As the clueless pair set out on a magical journey across the disc, neither realizes that they are merely pawns in an elaborate board game being played by the Gods.
