It's time for Spring break in town! Everyone's excited and that's why they are watching the weather all week. They want to plan all kinds of fun things to do, like fishing, hiking, hiking, swimming, and tennis. They are hoping for some sunny, enjoyable weather. Tomorrow they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see tomorrow before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.
