MindShift to a Better Place Mindshift Foundation, Elizabeth Venzin, Dr Lars Madsen, 2020-02-01 Your guide to creating lasting change self worth and positive mental health We are a society that no longer takes mental health for granted We ve come a long way from the get over it mentality that forced many of us to try to deal with our problems alone

Treatment options have become better and more sophisticated and we now work actively to prevent mental health conditions. Healthy self worth is essential for good mental health. Someone with healthy self worth is more likely to have better coping skills, greater resilience, and the ability to maintain long term positive mental health. The MindShift Foundation, led by founder and CEO Elizabeth Venzin, is a registered charity dedicated to preventative mental health awareness and advocacy.

Prevention, awareness, and education are important keys to understanding mental health. In this book, you'll find practical information and useful resources to help grow your self worth or assist someone you care about with theirs. MindShift to a Better Place helps you identify the signs of low self worth, guides you on how and where to seek appropriate treatment, and assists you in taking those steps forward to create healthy self worth, positive wellbeing, and strong mental health. **Stop.**

Think. Invest.: A Behavioral Finance Framework for Optimizing Investment Portfolios Michael Bailey, 2022-01-04

Use the power of behavioral finance to make smarter, better informed decisions through every step of the investing process. In an economy where markets are more unpredictable than ever, emotions can derail the efforts of even the most experienced investors and wreak havoc on portfolio returns. Applying powerful behavioral finance concepts, Stop Think Invest provides a framework for identifying personal biases and avoiding mistakes that can cost big profits. Based on the author's extensive research and 100 key behavioral finance concepts, this guide provides a winning 12 step process you can use to successfully manage your trading and investing for long term success, including: Begin the initial research into a new stock, Create an investment thesis, why are you buying the stock, Trade timing and size, when are you buying and how much, Make the initial purchase, Review the trade, round up or round down, Test your original investment thesis. Stop Think Invest reveals critical information about behavioral finance flaws such as anchoring, confirmation bias, recency bias, and loss aversion. Unlike other behavioral investing guides, Stop Think Invest offers a fully organized and practical approach to applying behavioral finance to everyday investing.
