## **Yes Minister Scripts:**

On The Buses Craig Walker,2011-06-21 On The Buses was a classic British situation comedy created by Ronald Wolfe and Ronald Chesney which ran for seven series from 1969 to 1973 and introduced a host of much loved memorable characters The series followed the ups and downs of life on the buses as portrayed by two work shy busmen Stan Butler played by Reg Varney and his mate Jack Harper Bob Grant as they invented new scams to wind up their long suffering boss inspector Cyril Blakey Blake Stephen Lewis This book tells the whole On The Buses story from its inception through to the three spin off feature films it spawned It includes details of cast crew locations and the many famous faces and catch phrases which made up one of the most popular sitcoms ever to appear on our TV screens On The Buses aired in an era where entertainment was unrestrained by politically correct rules but hilarious scripts and quality acting guaranteed the series a legion of loyal fans around the globe This book is a must have for anyone interested in learning more about On The Buses an example of British sitcom at its best

A State of Play Steven Fielding,2014-04-24 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) A State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of The Thick of It In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos The book examines the work of overtly political writers have treated the subject discussing the novels of H G Wells the comedy series Yes Minister and the plays of David Hare However it also assesses how less obvious sources such as the films of George Formby the novels of Agatha Christie the Just William stories and situation comedies like Steptoe and Son have reflected on representative democracy A State of Play is an invaluable distinctive and engaging guide to a new way of thinking about Britain s political past and present

**British Television Drama in the 1980s** George W. Brandt,1993-09-24 On British television drama in the 1980 s

Best of the Britcoms Garry Berman,2011-02-16 With crisp dialog outrageous characters and an absurd sense of humor it s no wonder British sitcoms are so well loved Best of the Britcoms covers the most noteworthy situation comedies ever to cross the pond Each entry combines a show summary with descriptions of standout episodes and behind the scenes details plus gives you production data and full cast listings And now the revised edition of this Britcom classic contains seven new chapters on programs that have aired in the U S since the original edition was published such as The Office Extras and My Family Fans of old school Britcoms won t be disappointed either as the revised edition also includes the later developments of older series storylines and detailed information on specials and cast reunions that have occurred in the intervening years Pick up this book kick back and get to know a Britcom

*Listener and BBC Television Review*, 1986      Still Open All Hours Graham McCann, 2014-10-30 From its first episode in 1973 *Open All Hours* was an instant hit. Audiences around Britain loved its familiar setting, good natured humour and the hilarious partnership of Ronnie Barker and David Jason. Whilst it only ran for 26 episodes, it firmly cemented itself as a British comedy classic. To celebrate the 40th anniversary of the show in 2014, the BBC revived it for a one-off Christmas Special. *Still Open All Hours* was swamped by a tsunami of audience affection and the BBC promptly commissioned a full series. The first episode of the fifth series is expected to air in late 2014. With recollections from David Jason, his fellow cast members and from the scriptwriter Roy Clarke, plus never-before-seen BBC archive material, acclaimed popular TV historian Graham McCann tells the inside story of this very British sitcom with wit, insight and affection.      Script to Screen Allan Prior, 1996-06 Book tells story of production from the writers' conception to the final showing of five plays presented on British television.      **Reading the Decades** John Sutherland, 2002 From literary classics to cookery books, blockbuster airport novels to self-help manuals, John Sutherland offers a portrait of Britain through the books that have inspired, excited and encouraged us to part with our cash. By exploring popular reading since 1945, Sutherland reveals a rich and compelling picture of the books themselves, the tremendous social changes and our responses to them. After the upheaval of World War II, Dr Eustace Chesson's ground-breaking sex manual *Love without Fear* reminded us how to make love, not war, amid the austerity of food rationing. Elizabeth David wrote the first of her bestselling cookery books when most people could only dream of new foods and flavours. However, optimism soon turned to Cold War paranoia, which inspired John Wyndham to create his apocalyptic science fiction of the 1950s. Ian Fleming and John le Carr responded with their espionage thrillers of the 1960s, and in the 1980s Peter Wright achieved notoriety with his all-too-factual *Spycatcher*. Occasionally, developments in publishing have themselves prompted social change. The acquittal of Lady Chatterley's Lover for obscenity in 1960 emancipated fiction in Britain, opening the way both for the blockbuster novels of the 1970s and 1980s and, in the 1990s, for the shocking realism of Irvine Welsh's *Trainspotting*. With media globalization, Stephen King's *Carrie* and Bronowski's *The Ascent of Man* became forerunners in a franchise industry embracing print, film and merchandise, continuing today with the enormous success of *Harry Potter* and *The Lord of the Rings*. Lively, entertaining and often humorous, *Reading the Decades* provides a unique view of the cultural and social history of the later twentieth century.      Politico's Guide to Political Lobbying Charles Miller, 2000 This book seeks to show how to successfully master the act of political lobbying. It takes the reader through the political labyrinth and shows how to avoid pitfalls and how to put your case properly.      **Nigel Hawthorne on Stage** Kathleen Riley, 2005-04-27 This book is the authorised and fully documented history of the 50-year career of the late Sir Nigel Hawthorne, beloved star of *Yes Minister*, *Privates on Parade*, *Shadowlands* and *The Madness of George III*. Enriched and illuminated by the personal insights of the actor himself, it also includes interviews with his close friends and colleagues, including Alan Bennett, Samuel Goldwyn Jr, Nicholas Hytner, Thelma Holt, Jonathan Lynn and Sheridan.

Morley Structured along the lines of a play the book comprises three distinct Acts the first covers the developmental phase of Nigel Hawthorne s career in South Africa in provincial rep in England and his life changing discovery by Joan Littlewood Act Two explores the distinctive qualities of the mature actor and gives fascinating details of his acting methodology how he researched and prepared roles his intense study of the play text and crucially his interaction with fellow actors writers and directors There is also an Interval which deals with Sir Nigel s own work as a director and playwright Act Three consists of uniquely detailed chronologies In focusing on the personal journey of one of Britain s finest actors Nigel Hawthorne on Stage also gives an excellent appraisal of post war English theatre including particularly valuable material about Joan Littlewood s Theatre Workshop and the controversial English Stage Company at the Royal Court BOOK JACKET **Atlantic Journal**,1991 The World & I ,1987 Commentary ,1987 Rob Wagner's Beverly Hills Script ,1941 The Beilis

Transcripts Ezekiel Leikin,1993-04 The Beilis trial had been engineered by high officials in the czarist hierarchy and reflects the maladies and misadventures of Imperial Russia before its collapse in the 1917 Revolution Beilis was in a very real sense a scapegoat of extreme forces including the rabidly anti Semitic Black Hundred which held sway over Russian body politic under the last czar Nicholas II It was only in the aftermath of the Revolution in 1917 that the archives of Imperial Russia were opened to public scrutiny These declassified documents revealed the full scope of the conspiracy and how leading ministers of state were involved in staging the trial in a way that would malign Judaism and the Jewish people Many books have been written about the Beilis trial the most well known being The Fixer by Bernard Malamud The Beilis Transcripts The Anti Semitic Trial that Shook the World is unique in that it provides in abbreviated form the chemistry of the Beilis trial itself

**The Complete Yes Minister** Jonathan Lynn, Antony Jay,1984 This book is a companion to the highly successful BBC series Yes Minister Parliamentary Debates India. Parliament. House of the People,1991-08-14 Local Government Review ,1983

## Decoding **Yes Minister Scripts**: Revealing the Captivating Potential of Verbal Expression
