**The Truce** Karen Umemoto,2018-07-05 This ethnography of a gang war in the Los Angeles neighborhood of Oakwood just blocks from the famed Venice Beach boardwalk provides a rare eyewitness account of the urban violence pervasive in the recent history of the United States With seventeen people killed and more than fifty injured the hostilities over ten months in 1993 and 1994 marked the peak of gang violence in the history of Los Angeles a city once labeled the gang capital of the nation The conflict began as a quarrel among individuals some of whom had gang affiliations Over time the feud engulfed families and soon grew into a sustained clash between African American and Latino gangs Eventually victims fell who were not members of opposing gangs but who fit certain racial and gender profiles The conflict began to take on the attributes of what one local newspaper sensationalized as a race war Karen Umemoto lived nearby during this conflict and undertook two years of ethnographic research during and immediately following the spate of killings She now offers a nuanced analysis of the trajectory and eventual end of this acute crisis Her interviews with gang members neighborhood residents business leaders police officers and gang intervention workers reveal the complexity of contemporary American urban conflict The Truce highlights the differences in interpretations among combatants witnesses and law enforcement agents and others whose actions often had unintended consequences Drawing on her experience living in multicultural Los Angeles and on the latest scholarship in a wide variety of disciplines Umemoto provides much needed guidance for policymakers and concerned members of the public faced with violence in an ever changing urban landscape [Gang War](#)

Special Committee to Investigate Organized Crime in Interstate Commerce,1950      Critical Explorations of Crisis Helle Rydstrom, Mo Hamza, Thomas Gammeltoft-Hansen, Vanja Berggren, 2025-09-18 Claims to crisis reverberate across societal and academic discourses as people around the world face dire situations and detrimental challenges Yet the study of crisis tends to remain siloed and therefore oblivious to the multi dimensional nature of crisis which inhibits learning from one type of crisis to the next Bringing together a broad team of contributors this book argues for a new interdisciplinary field of crisis studies Covering a range of cases the book critically explores the intersections of socio economic political climate and health factors to unravel the dynamic and transformative forces of crisis In doing so the book contributes novel insights into human precariousness and resilience in times of crisis shaped by global local inequities post fact discourses and politics      **Gang War** Peter Walsh, 2005 In the mid 1980s a Chicago style gang war erupted on the streets of one of Britain s major cities that continues unabated to this day Gangsters with automatic weaponry brought terror to the streets of Manchester Investigative author Peter Walsh traces the inside story of the Manchester mobs and their bloody internecine feuding He reveals how top villains took over the drug trade and nightclub security leaving more than three dozen dead and tells how a new gang culture evolved unlike anything seen before in the UK      **Gang War** Graham Johnson, 2011-02-03 If those pricks want a war lad we ll show what some proper soljas can do Dylan Nogger and their crew tax rival drug dealers using a red hot steam iron and celebrate by making videos of themselves raping wannabe WAG s In their world guns and knives are as common as mobile phones But when an innocent three year old girl is killed in the crossfire extreme measures are brought in to combat gang warfare From burgeoning organised crime to warped celebrity culture Gang War is an apocalyptic vision of a world in freefall The gripping debut novel by the bestselling author of Powder Wars is a mind blowing tale that is all the more shocking because it is inspired by real life events      **Organized Crime in Chicago** John Landesco, 1929      **Gang War** Paul Kropp, 1984 Jack and the Punks think they re tough but Charlie and the Saints don t like getting pushed around so the two gangs fight it out in the last rumble      *No Gang War in '74* Samuel C. Say, 2013-02-28 Representative Chaka Fattah and Councilman Curtis Jones Jr went through the House of Umoja and were witnesses to the transformational process of young people who identified with individual gangs Many of these gangs were started in the fifties and expanded throughout the sixties However in 1968 gang warfare became much more deadly Once the body counts went up gangs wanted to even the score It took two dedicated parents who were not only concerned about their own children but their community as well to set in motion a transformational process which started with their own house and in five years ripped across the city Through these well organized gangs young people had seen the mean things they could do to each other David and Falaka Fattah showed them the beautiful things they could do the importance of community and civic duty They connected them with both family and African tradition This is a story that must be told and cannot be forgotten      *Atlantica* , 1930      **Born in the whirlwind** William Adams (D.D.), 1893      *Bulletin of the Geological Institutions of the University of Uppsala* Uppsala
