How Do I Find the Twinkl Phonics Resources on Site?

On the left-hand side of the screen, you will see a drop-down menu called 'Tear Sheet Collections'. Expand the menu and scroll down to find Phonics. This will take you to the Twinkl Phonics homepage.

Which Level or PowerPoint Should I Start With?

Some schools follow Twinkl Phonics, which is organised into levels, and other schools follow other schemes of work, which are organised into phases. Twinkl Phonics is a well-known 20+ national phonics scheme which covers all of the age-related phonics expectations for reception/PS to the end of year 2. It is organised into levels which correspond very closely to the phases that other schemes use.

Your child may know which phase or level they are working on at school or you could use this as a starting point. If your child doesn't know which phase or level they are working within (and many won't), don't worry! Have a look at the table below and see if your child (or you) recognises any of the graphemes or example words. If it falls between two levels, it is better to choose the level below as this will give your child the opportunity to revisit and reuse previous learning (which is always beneficial) and will ensure they feel confident going forwards. You can always move to the next level if your child is confidently whizzing through the PowerPoint.
